

# Key Stage 4 Daily Review: Week 1 (Day 1)

## Spotlight Knowledge: Protected Characteristics

The UK Equality Act of 2010 outlined these protected characteristics because:

1. If you have one of these characteristics you are more likely to face discrimination.
2. It is against the law to discriminate because of these characteristics.

# The Kingsway School Foxland Key Messages

# Welcome Address

Welcome back to another week. Later this week we celebrate Year 11's time at Kingsway and welcome Year 9 to Foxland. Year 11 will have their final assembly on Wednesday followed by their Prom on Friday. Year 9 They will be sitting their end of Key Stage 3 exams on Foxland Campus next week. Please make them feel welcome when you see them. Remember that all Year 10 students are role models to our younger students. Our rules and expectations are clear, please demonstrate to Year 9 what our rules looks like in practice in order to help them get it right.

This week you will be hearing about student leadership opportunities. Young people are the leaders of tomorrow and you have a chance to shape the future you want to see. You may decide to apply for a formal leadership position in school or you might even be able to embody leadership qualities simply by being a role model to others in your everyday life.

It may be that you are somebody who has influence over other others in small ways. If you are, think about how you could use that influence to make our school the best place it can be and our world a better place.

Have a great week, Ms Linnecor

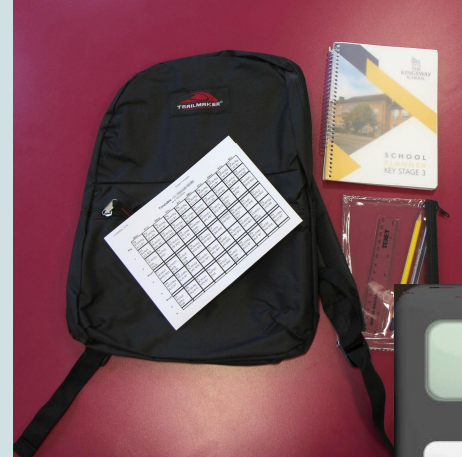

## Big Wins

**1125** positive points were issued last week for students who exhibited good work or learning in lessons. This is a staggering amount of points and highlights how engaged Year 10 are in lessons.

**513** positive points were awarded to students who had full equipment.

Remember to keep a calculator in your bag as it is required in more subjects than just Maths.

# Safe

It is **Rail Safety week**. Our school is very close to railway lines and a station so it is particularly important that we follow the following essential safety advice:

- NEVER go onto rail tracks
- ALWAYS wait for trains at designated crossings
- AVOID distractions when near tracks.
- BEWARE of potential dangers like overhead power lines and the power of train turbulence.

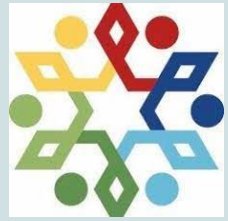

[Stopping train activity](#)

Follow the link to demonstrate why trains are so dangerous

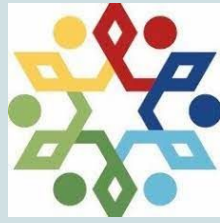

# Respect

This Wednesday is 'Thank a Teacher Day'. If you would like the opportunity to show respect towards a member of staff who has helped or supported you:

- Collect a slip from your form tutor
- Fill it in
- Pop it in the plastic wallet on the outside of any year office door
- Please do not give slips directly to the member of staff you have written it to

# Ready-Respect-Safe Break Times

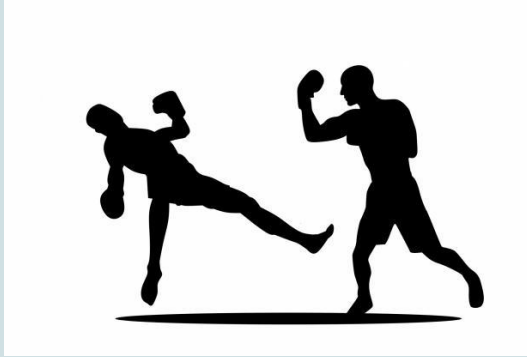

Foxland field will be open B2 **WHEN DRY**. But please note:

1. Do not stand/sit behind the trees or in the far corners of the field. **There should be no students near the fences of our neighbours.** These areas are out of bounds.
2. Do not move or swing from the goalposts.
3. Where possible footballs will be brought out. Only if footballs are returned as soon as the whistle is blown will be brought out the following day.
4. All litter must be placed in the bin.

# Ready-Respect-Safe Break Times

The following activities are not permitted:

- Rough play
- Littering
- Water fights
- Going in corners of the field.
- Going behind the trees

THIS WILL RESULT IN FULL  
CLOSURE OF THE FIELD.

# Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

**Moving forward, you will be reminded when these are coming up in these messages.**

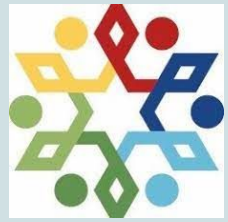

# Achievement: Year 10

## Upcoming 'Milestone Assessments'

Subject	Topic	Dates & Details
Art	Animal project - Development work and final piece planning - Final assessment	W/C - 7th July
Photography	Portrait project - Alana Dee Haynes and independent photographer development work	W/C - 7th July
Maths	Indices and roots milestone HT6 Skills check	W/C 23/6 W/C 7/7

# Respect: Positive Social Behaviour

**A TKS student speaks to others in a kind/respectful way.**

A TKS student does not use -

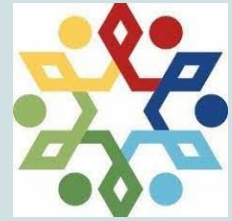

- Unkind language
- Swearing and bad language
- Discriminatory language
- Rudeness to others (including staff and students)

This includes language used on the corridor, lining up at the canteen and to/from school.

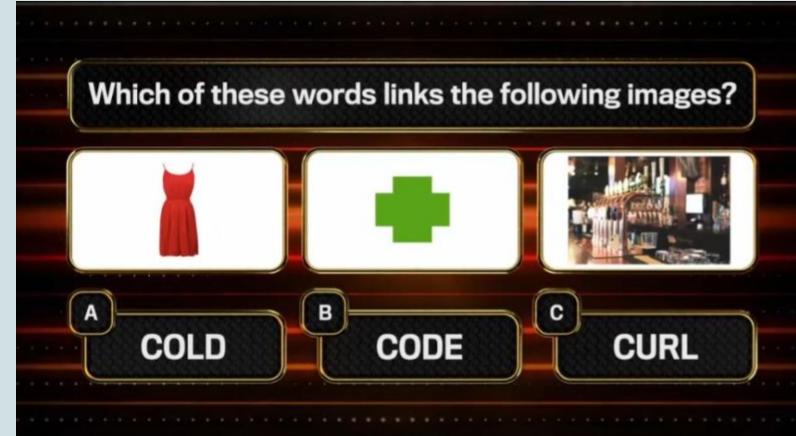

# Y10 1% club

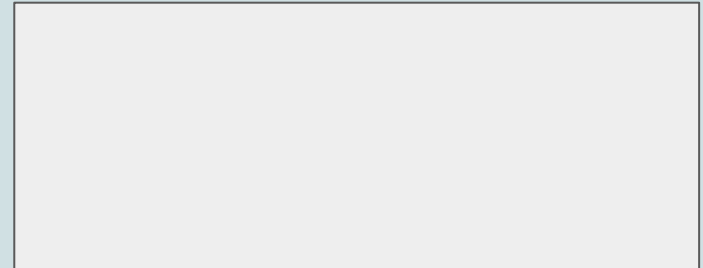

## Persistence

- **Success in education rarely comes from one big moment—it's built through consistent, small efforts that add up over time. A 1% gain each day might seem insignificant, but with persistence, those tiny improvements become powerful. Whether it's understanding a tricky concept, improving a skill, or staying focused just a little longer in class, every small step forward matters. The key is to keep showing up, keep trying, and trust the process. Progress isn't always obvious day by day, but those who persist, even when it's tough, are the ones who achieve real growth. Small steps, taken consistently, lead to big results.**
