The Kingsway School Foxland Key Messages

Welcome Address

Welcome back to school and welcome to 2025. Happy New Year! At the start of a new year, it is not unusual for people to set goals for themselves. In school, we usually do this in September but this feels like a great time to revisit these and over the next 12 months, I hope that we can achieve the following goals together:

- For you to know and understand the vision for our school.
- For you to be motivated and empowered to make our school and our world a better place.
- For us to develop ways to enrich your school experience and listen to your voice.
- For you to achieve well academically and fulfil your potential.
- For us to give challenge and support for anybody who cannot meet our high standards

Your assemblies this week will include some key reminders about our 'Ready-Respect-Safe' expectations and the things that we can all do to make our school a happy and safe place to be where we are able to learn well. With these foundations, we will be able to achieve our goals together and make our school in 2025 an even better place to be than in 2024!

Have a great week and a great term.
Ms Linnecor

How many days off did you have last term? Well done to everyone who were in school everyday. Start this new term ready to give yourself the best chances of success by attending school everyday.

Ready-Respect-Safe Attendance

Attending school every day is important and everyone should aim to get 100% attendance.

To celebrate good attendance merits and prizes will be issued every week, every half term and every term.

100% attendance for a week: merits and entry to a weekly prize draw, one for each year group.

The top 3 forms in each group will receive extra merits.

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

- Being on time to school and lessons
- Having the correct equipment
- Doing the work to the best of your ability
- Creating a “Beautiful Book”
