The Kingsway School Foxland Key Messages

Welcome Address

Good Morning. Our assemblies and key messages help us to achieve our school's core values. Let's take a moment to remind ourselves what they are:

Opportunity: There are a wealth of opportunities for you to take up ranging from period 6 sessions to sporting activities as well engaging in cultural opportunities in and out of school. All of these activities will support college applications.

Achievement: Your 'mid-term' report/ Mock results will let you know how you are doing in school academically and will allow you to set targets to get to the next level and achieve your full potential.

Respect: As part of our work around 'respect', you will have an assembly this week to promote LGBT+ History month. Respecting 'Protected Characteristics' is one way in which we can uphold both our school's values and British Values.

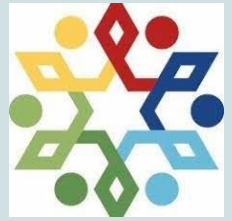

Compassion: Everyone is encouraged to do something for our community. That may be something for charity or even something to make our school a better place to be.

Have a good week

Ms Linnecor

Big Wins

Ready-Respect-Safe

Morning Line up happens daily at **8.30am**. This is our welcome to school routine.

The green gates open from **8.00am** and are staffed by your year team so if you arrive early, please come onto campus and chat with friends.

At **8.20am**, you can meet your form tutor in morning lines.

You need to line up alphabetically and keep your planner and pencil case visible so your form tutor can check as they say hello to you.

Your form tutor will check that your uniform is worn correctly (including skirts as they are designed to be worn).

Our uniform and equipment expectations are high because it is a visible indicator that we are ready to learn.

Ready-Respect-Safe Attendance

Attending school every day is important and everyone should aim to get 100% attendance.

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.
