

Daily review - Science

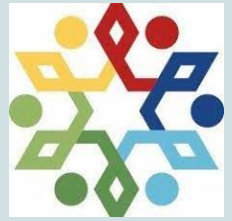

<p>Transverse waves have oscillations perpendicular to the direction of energy transfer and Longitudinal waves have oscillations parallel to the direction of energy transfer.</p>	<p>Alleles- These are different versions of the same gene.</p>	
<p>Scalars (e.g. mass, speed) have only magnitude whereas vectors (e.g. weight, velocity) have both magnitude and direction</p>	<p>Genotype- This is the particular allele that an individual has.</p>	
<p>A circular magnetic field is induced around a straight wire carrying a current. When a wire is coiled into a solenoid the magnetic field is the same shape as that of a bar magnet.</p>	<p>Phenotype- This is the expressed trait that is the result of an allele that an individual has.</p>	

The Kingsway School Foxland Key Messages

Welcome Address

Welcome back to the first week in February.

This week is Children's Mental Health Week. At school we recognise the importance of mental health checks and support students to be able to discuss mental health and seek support where necessary. Students will be encouraged to discuss how different aspects of mental health can be supported in school. If you're struggling with anything, there's lots we can do in school to help. Let your form tutor, Head of Year or other trusted adult know if you are worried about anything, and we will always do our best to support you and respond with compassion.

Have a good week

Ms Linnecor

Big Wins

Our first rewards event of 2025 has taken place with over 210 KS4 students qualifying and attending our Tenpin Bowling Trip. Every staff member who supported the trips commented on how mature, responsible and supportive you all were. Bullocks Coaches cited you were the best ever students to use their coaches.

Well done to all students who participate in this event. Watch this space for teasers for our end of term two events.

Big Wins

Y11 Period 6 attendance

122 students attended period 6 this week. Well done to all those students who are taking all the opportunities in the lead up to your March mocks.

Don't forget to get your teacher to sign your Prom Passport at the end of the session.

Ready-Respect-Safe

Are you always “Ready to Learn”?

If you are a student who has received a C3 recently (which includes a 15 min SDR) you need to consider the following:

1. What caused this consequence and how can you ensure that you will be successful next lesson?
2. Was the C3 issued because you were off task, not fully engaged in the task set or for something else?
3. Were you able to fully discuss the consequence at your 15 min SDR.

Attendance (the same day an SDR is set) is important as it allows you to discuss the issue with a teacher, reflect on the choices you made, repair the issue so that the next lesson is a fresh start for you and the chance to earn positive points and feel successful in your learning.

If you have any concerns relating to your lessons, please do speak to your subject teacher, form tutor, HOY/PHOY. Do also speak to your parent/carer who can always contact your form tutor for further support. Form tutor emails are in the front of your planner for reference.

Ready-Respect-Safe Attendance

Attending school every day is important and everyone should aim to get 100% attendance.

To celebrate good attendance merits and prizes will be issued every week, every half term and every term.

100% attendance for a week: merits and entry to a weekly prize draw, one for each year group.

The top 3 forms in each group will receive extra merits.

100% attendance for a week: entry to a half termly prize draw.

ATTEND! AIM HIGH! ACHIEVE!

Ready-Respect-Safe Attendance

95%	=	47 LESSONS MISSED EACH YEAR 8 days in total or 1 week and 3 days
90%	=	95 LESSONS MISSED EACH YEAR 16 days in total or 3 weeks and 1 day
85%	=	142 LESSONS MISSED EACH YEAR 24 days in total or 4 weeks and 4 days
80%	=	190 LESSONS MISSED EACH YEAR 32 days in total or 6 weeks and 2 days

ATTENDANCE MATTERS

**WHAT DO YOUR
ATTENDANCE
FIGURES
ACTUALLY MEAN?**

What was your attendance last term?

How many lessons have you already missed?

Every lessons counts

Ready-Respect-Safe Attendance

Your attendance in school is extremely important if you are to reach your potential.

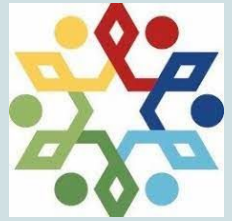

Each member of the form with 100% attendance last week will receive merits

Well done to 10CRO

Each week the form with the highest attendance will receive extra merits

Who will win next week?

Ready-Respect-Safe Attendance

Congratulations to 10ATU for the biggest improvement in attendance last week in their year group. An increase of 10% compared to last week.

Well done!

Attending school every day is important.

Ready-Respect-Safe Attendance

Your attendance in school is extremely important if you are to reach your potential.

Each member of the form with 100% attendance last week will receive merits

Well done to 10SKI

Each week the form with the highest attendance will receive extra merits

Who will win next week?

Ready-Respect-Safe Attendance

Congratulations to 11LEA for the biggest improvement in attendance last week in their year group. An increase of 3.1% compared to last week.

Well done!

Attending school every day is important.

Ready-Respect-Safe Attendance

Every Friday there is a prize draw for each year group to celebrate good attendance.

Every student who has 100% attendance for that week is entered into the draw.

Winners for KS4 were:

Year 10- Lewis W

Year 11- Harry F

Every week names of students who have 100% attendance are entered into a bigger prize draw that takes place every half term. You must be in school to have a chance of winning.

THE KINGSWAY
SCHOOL

Year 10 - Enrichment Opportunity

Edofe:

You now need to be submitting your evidence and assessor reports for approval for your skill, physical and volunteering.

You must ensure you have sorted your proposed expedition group. If you haven't given someone you'd like to be with, we (as staff) will just allocate you a group!

Kit forms - Return to Miss Horsey (my room is F8)

If you have any login issues email dofe@kingsway.stockport.sch.uk

workshops
3-4pm in
B4

Opportunity

Love to Read: Foxland

Study Centre activities this week: Please come along and join in!

- **Inklings Club** - This creative writing club will be held in F44, near to the Study Centre on a Tuesday after school. Whether it be poetry, short stories or working on your latest novel, come along and share ideas with like-minded students.
- **Informal reading group opportunity:** On a Monday after school I will be hosting an informal reading group in the Study Centre. Unlike the Book Club there is no set text; just an environment to discuss the book you are currently reading.
- **Book Club:** if there are any readers who would like to join our half termly book club please come and see Mrs Wild Break 2 on Wednesday 5th February in F26!

Achievement

PE Department
@KingswayPE

Well done to the U13 and U15 Table Tennis teams who played against LCH on Thursday! A very close contest with LCH just edging the fixture! Great to see so many pupils engaging in Table Tennis this year! 🏓👏🌟
POTM: Joe A / Seth K

Achievement

PE Department @KingswayPE · Jan 29

The Year 9 Rugby team were in action again tonight at LCH! Great to see some lads playing their first Rugby game! Some great tries from Harry and Andrew and in particular Tom's solo try!

POTM: Ralph and Marwan! 🍊💥🏉

Next game: Tues 4th Feb vs St Ambrose (a)

Well done to Harry
for his tries! —>

Achievement

PE Department
@KingswayPE

Some great netball matches this evening at Bramhall. Special shoutout to Belle and Betti who were both selected as player of the match from the opposition. Well done girls 🎉👍🏆

Respect

Having respect for your own learning is recognised through your approach to learning. This includes:

- ❑ **Valuing success and making every effort to make progress each lesson**
- ❑ **Being on time to school and lessons**
- ❑ **Having the correct equipment**
- ❑ **Doing the work to the best of your ability**
- ❑ **Doing your homework to deadline**
- ❑ **Asking for help if you need it**
- ❑ **Knowing what you need to do to improve**
- ❑ **Taking responsibility for your learning and being honest with yourself.**

Your approach to learning is a fundamental part of your attainment. Every student in Year 10 and 11 has been issued an “Approach Judgement” by their class teacher. This has been decided on over the course of term 1 and based on attitude to learning which includes respect to learning.

Check your approach judgement for every subject to ensure that it is judged at “expected” at least.

Compassion

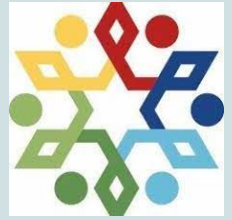

It is Children's Mental Health week and your assembly will be on this theme this week.

If you are interested in trying some mini-activities to boost your wellbeing, such as making a 'coping box', 'good mood playlist' or 'practice being present', head to: <https://www.kooth.com/>

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.

Achievement: Year 10

Upcoming 'Milestone Assessments'

Subject	Topic	Dates & Details
English	Acquire: plot, characters and themes of 'An Inspector Calls', context of Edwardian society and the effects of war. Apply: Literature essay.	Week commencing 10/2
