

# **The Kingsway School Broadway Key Messages**

# Welcome Address

World Book Day is this week so there is no better time to talk about the power of reading and how important it is for our learning. As Barack Obama said: "Reading is the gateway skill that makes all other learning possible, from complex word problems and the meaning of our history to scientific discovery and technological proficiency."

In school this week, there are lots of ways you can get involved with World Book Day. There is something every day this week: complete a 'story in a jar', enter the portico book review competition, join in with our 'guess the reader' challenge, enter or attend our 'Battle of the Books' event and complete the 'story across the curriculum' challenge.

There is also an exciting development in relation to the Broadway library as our student leadership team have been working with staff to design a space that you will be able to use very soon. In the meantime, you should also be engaging with Sparx Reader as apart of your 'Careful Reading' requirement.

# Broadway Big Wins

- Congratulations to Year 7 again who have the best attendance record again this week.
- Attendance in Y8 & Y9 has also shown some improvement.
- 99% of you continue to be ontime to school everyday.
- Positive points account for 92% of all points awarded and the most awarded points are 'Good Learning' and 'Good Attitude'.

# Building a Positive Culture

Every week in assemblies we talk about how we can build a positive culture.

One small positive action can have a huge impact.

This week the one thing we are asking everyone to do is smile and say hello to people when they see them.

Let's make everyone's day a little bit brighter.

## Key messages: Opportunity

Currently the Student Leadership Teams have been discussing Themes for the relaunch of our House System.

Themes have been shortlisted and will be shared with forms soon so that voting can take place.

We are interested in the enrichment clubs you attend outside of school and are looking to offer activities in school that are aligned to your interests. Over the next week your Form Tutors will be collecting this information. More updates to follow.

# Key Messages: Achievement Sparks Homework Clubs

A REMINDER: All pupils should be completing both their Sparx Maths and SparX Reader homework **EVERY WEEK**.

There are now Sparks Homework Clubs for SPARX MATHS AND SPARX READER.

SPARX READER CLUB: TUESDAYS in B25

SPARX MATHS CLUB: THURSDAYS in B14/B19A

## Key messages: Ready

We are still noticing a small number of pupils around the building who are unsure of where they should be.

All students should have an up to date paper timetable in their planner. **This will now be part of your morning checks.**

If you do not:

- Ask your year team to print one.
- Check online (the night before).

## Key messages: Respect

**United  
Nations**

**International Day for the Elimination  
of Racial Discrimination, 21 March**

In recognition of this important day, I am putting together an assembly that will be delivered later this term. I want to know what YOUR experiences of racism are. Is it something that you see in the world around us? What messages do YOU think Kingsway students need about this? Speak to me, speak to your form rep, ask your form tutor to email me, or do so yourself. I will keep your comments anonymous if you wish.

## Attendance: the top facts

MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.

When your attendance is good (95%+) you are more likely to achieve better grades in school.

It is never too late to improve your attendance.

Attendance is also important as it supports positive peer relationships which is good for your mental health and well being.

Calling all budding writers , artists and designers!  
Re- create your favourite story as a cartoon strip or “Story in a jar”

Do you have a favourite book or short story? Do you think that you could draw it out in a cartoon strip or represent it in a jar ( jam jar/ coffee jar) ? If so get your creative hats on as we celebrate all thing books this week and hand in your efforts at the end of the week ( B0 or B19b from 8.15 or the library on Foxland before school) . Prizes available to the top 3 in each year group. We will share photos and let other students guess you stories in a jar the following week.

If writing is more your thing.....

Write a poem or short story based on the theme of your favourite place. Hand in your efforts at the end of the week ( B0 or B19b from 8.15 or the library on Foxland before school) .

We will put together the best ones into a printed anthology for all the winners.

If your favourite place is in the North of England , we will enter your story into a competition being run by the Portico Library in Manchester – every entry gets a prize!

In school this week ( for KS3) .....

Come to B2 on Tuesday and Thursday lunchtime to show your love of your favourite book. We will be writing book reviews ( which we are going to enter into a competition that is being run by the Portico Library in Manchester – all entries get a prize!) and letters to your favourite author so come along and show each other why you love a good read.

You can bring your lunch !

As well as the competitions this week, you will be:

- reading a story across each of your lessons on Tuesday
- writing a story across each of your lessons on Thursday
- invited to participate in a 'Guess the Reader' competition on Friday to guess the member of staff hidden behind their favourite/ current read.

Keep your eyes peeled around school and if you see a member of staff with a book ask them about it! More chances of winning a prize .

Members of our LGBT+ community and  
their allies ...

Your group is being relaunched!

**EVERY WEDNESDAY BREAK 2 IN B7.**

**Topic for discussion this week: how can we make our  
school a more inclusive place?**

## Key messages: Safe

Are you concerned about a safeguarding or wellbeing issue? This might be about you or a friend. Or, perhaps you would just like to talk to an adult away from the hustle and bustle of school life.

**Mr. Dorsett will be hosting drop-in sessions:**

**Broadway: break 2 on Tuesdays - find him at reception.**

**Foxland: break 2 on Thursdays - find him at year offices.**

**TAKE CARE OF YOURSELF**

## Rewards Day 28th March

To minimise the financial burden on families and include all 587 eligible students, we will be holding our Rewards Day on the 28th March in school across both campuses.

We would very much like to hear your suggestions about what activities, benefits and incentives you would like to see on the day. Please make your suggestions to your form captain who will share them at this week's JLT meeting. All suggestions will be considered by the Senior Leadership Team.

Letters will go out this week to confirm if you are one of the 587 students who met the criteria for Rewards Day.

# Assembly - Essential Knowledge

Ramadan is a month during which Muslims spend extra time reading the Qur'an and performing special prayers. It falls on the ninth lunar month in the Islamic Calendar.

The month of Ramadan is believed to be the month in which the Holy Qur'an was revealed to Prophet Muhammad as a guidance for all mankind.

During Ramadan Muslims fast from sunrise to sunset. Fasting allows Muslims to devote themselves to their faith. It is thought to teach self-discipline and reminds them of the suffering of the poor.
