

# The Kingsway School Broadway Key Messages

# Welcome Address

As we reach the end of yet another half term, it's time to celebrate once again. Your celebration assemblies will focus on rewarding those who embody our school's culture!

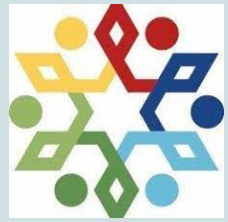

Half term also means that we half way through the school year and it's a time for reflection. What have you done to embody our school rules of ready-respect-safe? How have you shown that you are compassionate to others? What concrete actions have you performed to make our school a better place?

As the year moves on, you will continue to see opportunities for us to celebrate and acknowledge those who uphold our school's values. This maybe reward trips, rewards assemblies, star of the week or star of the lesson awards. For year 9, it may be your graduation ceremony, which you will hear more about this week.

Enjoy your week and your week off after that! Mr Sadler

# Broadway Big Wins: Week 3

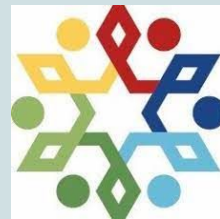

- Our punctuality to school is 99%. This is amazing. Keep up the good work.
- 90% of all points awarded continue to be positive with 'Good Learning' and 'active learning' being the most awarded points.
- In the next few weeks, the building work on site will be completed and all of our new classrooms will be available for use.

# Key messages: Important Reminder

School closes on Thursday 8th Feb for half term.

This means students will not be in school on Friday 9th Feb.

School Re opens on Monday 19th Feb.

Please keep yourself safe over half term.

# Key messages: Ready

We are still noticing a small number of pupils around the building who are unsure of where they should be.

All students should have an up to date paper timetable in their planner. **This will be part of your morning checks from after Half Term.**

If you do not:

- Ask your year team to print one.
- Check online (the night before).

# Respect: Use of the Canteen

Spring Term:

- For the rest of this week, Y8 & 9 will continue to be on first sitting.
- From after half term, we will trial all students being served on the first sitting. Please ensure you queue sensibly and wait patiently.

**REMEMBER:** Clean up after yourself and leave the canteen as you would wish to find it!!

# Key Messages: Respect

The fields will remain closed until further notice. This is to keep them in good condition for our school sports fixtures.

When the weather improves and the ground is firmer, the fields will open again at break time.

Thanks for your cooperation.

# Key messages: Safe

This week is children's mental health week. On the next slide, there are 10 things children across the country have said schools should do to help children's mental health.

**Read and discuss each one.**

**Which do you agree with most?**

**Are there any you disagree with?**

Watch out for top tips to support different aspects of mental health that will be shared via our social media channels every day this week.

# Key messages: Safe

- ① We want mental health to be talked about more in school to remove the taboo around it- not just one-off assemblies or PSHE lessons.
- ② We want you to acknowledge our mental health – not just mention it once in assembly. Sometimes we say we're stressed with homework and it seems like all our teachers care about is the deadline, not how we're feeling.
- ③ If you're talking about mental health, make it clear that mental health isn't a bad thing.
- ④ We want to know more about specific themes on mental health – men's mental health, teenage mental health etc.
- ⑤ Try not to make it sound so scary. Language like 'you have to tell someone' puts pressure on us, and can put us off – even if you don't mean to.
- ⑥ Make our assemblies or lessons on mental health more interactive – let us ask more questions, do a quiz, role play – then we'll want to engage more.
- ⑦ Give us opportunities to lead lessons on mental health ourselves. We have lots of ideas, and might know more than you think – we also have lots of advice to give.
- ⑧ If you're planning an assembly (on mental health, or anything else!) keep it short, active, play music, involve us in it.
- ⑨ Stop making out like social media is responsible for all of our problems. We know there are challenges with social media, but when we use it carefully it can help us connect with friends and find advice and support when we're struggling.
- ⑩ If we're being bullied or having issues with friends, don't just focus on punishing the other person or fixing it. Excluding someone might punish them, but it doesn't help with the way we feel about what has happened. Make the time to talk about our feelings too, if we need to.

## Key messages: Safe

Are you concerned about a safeguarding or wellbeing issue? This might be about you or a friend. Or, perhaps you would just like to talk to an adult away from the hustle and bustle of school life.

**Mr. Dorsett will be hosting drop-in sessions:**
