

# The Kingsway School Broadway Key Messages

# Welcome Address

This week our 234 muslim children will enter the period of Ramadan, which will be a special time of prayer, reflection and fasting for many of them. Last week, we were delighted to host our Year 10 students to deliver a special Ramadan assembly, which provided lots of useful ways we can support them as they during this time.

This is a timely reminder to all students that our school is a diverse community and we strive to be a community that tolerates, celebrates and understands each others' differences. We have a range of religions represented in our school and our ready-respect-safe curriculum encourages us to treat religion and all other protected characteristics fairly and using the fundamental idea of equality.

Consider this idea as you go about your week.

Mr Sadler

# Building a Positive Culture

Every week in assemblies we talk about how we can build a positive culture.

One small positive action can have a huge impact.

This week the one thing we are asking everyone to do is...

PICK UP ONE PIECE OF LITTER PER DAY.

# Key messages: Ready

Almost all students arrive on Broadway each morning and are 'ready to learn'. It is amazing to see everyone looking smart on arrival in full school uniform. Remember that the small number who don't have everything they need are given the support needed to set them up for the day.

The correct skirts and trousers should be worn as they are meant to be worn and all students should be wearing a blazer throughout the day.

This week we are reminding students about footwear. Our School Uniform Policy states that shoes must be:

Plain, flat, below the ankle all leather footwear (including soles). Footwear should have no air pockets, different coloured laces or any additional decoration.

# Key messages: Respect

**United  
Nations**

**International Day for the Elimination  
of Racial Discrimination, 21 March**

In recognition of this important day, I am putting together an assembly that will be delivered later this term. I want to know what YOUR experiences of racism are. Is it something that you see in the world around us? What messages do YOU think Kingsway students need about this? Speak to me, speak to your form rep, ask your form tutor to email me, or do so yourself. I will keep your comments anonymous if you wish.

Miss Hulance

## Key messages: Safe

Are you concerned about a safeguarding or wellbeing issue? This might be about you or a friend. Or, perhaps you would just like to talk to an adult away from the hustle and bustle of school life.

## Attendance: the top facts

MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.

When your attendance is good (95%+) you are more likely to achieve better grades in school.

It is never too late to improve your attendance.

Attendance is also important as it supports positive peer relationships which is good for your mental health and well being.

It is fine to come to school if you have a minor cough or common cold.

Everyone can help to prevent the spread of colds by following these 3 simple routines.

# Assembly - Essential Knowledge

This week's assemblies will be led by your HOY and will consider the keys to success that will help your year group to be successful this Half Term.

At this time, we should continue to strive to hold ourselves to the highest of standards. On Broadway, we continue to work towards a culture where we expect the best of each other. There are many of you who do that everyday.
