

The Kingsway School Broadway Key Messages

Welcome Address

It's the last week of term and as usual, this means REWARDS! This week we will have both our awards assemblies and our rewards event. This is a time when we celebrate all the positives from the term. Although not everyone will get an individual reward this week, I want to take a moment to recognise all of you that uphold our school's culture on a daily basis. There are many of you that do the right thing everyday and I want you to know that you are seen and appreciated. You are helping to make our school the best it can be. There HUNDREDS of you that have had NO NEGATIVE points this term, which is amazing. You should be proud of yourself.

BUT... remember this: 'Success' is an abstract concept. That means that it is personal to each individual. We are all successful in something, no matter how small it may seem. Our weekly challenge this week is for you to name the ONE thing you are most proud of this term and celebrate your own personal success.

Have a great week. Mr Sadler

Building a Positive Culture

Every week we talk about how we can build a positive culture.

One small positive action can have a huge impact.

The small action to focus on this week that will have a big impact is to be on time to all your lessons. Walk with pace and purpose when you are dismissed from your lessons. Every moment in your lessons count.

Our Y9's journey in the @GMCSSchoolsFA cup has come to an end. Immensely proud of them tonight. Despite playing 6mins with 8 men and the stress of getting to a game after being let down by transport. We played great. Special thanks to the parents getting them to Moston legends! 🌟👏

Please share your interests with your form tutor as this will help us offer more opportunities for other students to engage in wider activities outside of school.

We'd also love to hear about any achievements outside of school linked to the clubs and/or associations that you are a part of. We can raise the profile of these through form, assemblies and social media.

Student Leadership

Thank you to all the JLT's for their fantastic contributions to the meetings that are helping drive the school forward. Some brilliant ideas were shared about improving learning environment, recruitment of anti-bullying ambassadors and our ongoing journey to reignite the House System.

These will be discussed at this week's senior leadership meeting and with the year 11 student leaders.

Remember - JLT Meetings will now be held on Red weeks.

Rewards Day 28th March

Once you receive your rewards day letter with your name on make sure you keep it as this is your entry ticket for the film screening. Voting will close on Wednesday for the film choice.

Periods 1 and 2 will be the year 7 screening. Years 8 and 9 will be normal lessons.

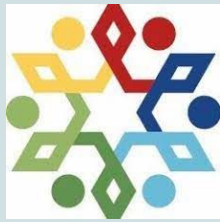

Periods 3 and 4 will be the year 8 and 9 screening. Year 7 will be lessons as normal.

Please arrive promptly to your screening as the film will take the entirety of the two lessons.

Those who do not have a ticket must go to their collapsed timetable lessons. Details of this will be published later in the week.

Period 5 will be as normal but **all students** who achieve positive merits without negatives will be entered into a prize draw and will receive vouchers for their efforts throughout the day.

Assembly - Essential Knowledge

This week in assembly we will recognise the students who make the right choices day in day out and are helping the school move forward.

Following discussions in the JLT, individual reward winners will be given vouchers instead of chocolate.

All students with 100% attendance and behaviour since the last rewards assembly will receive their certificates in form on the first week back.

Make sure that you keep your certificates - they are looked upon favourably in college interviews.
