# The Kingsway School Broadway Key Messages

#### **Welcome Address**

Your assembly this week will focus around the theme of Human Rights in order for our school to celebrate Human Rights' Day. There have been many situations in history where there has been a need for people to stand up for their rights. That might be individuals such as Rosa Parkes, Martin Luther King and Malala or it could be movements such as The Suffragettes and the LGBTQ+ Pride movement. Some countries do not yet have the equal rights built into their laws but the UK does for most issues.

In school this week, it feels like a pertinent time to reflect on how we can behave in a manner that protects the rights of each other when we are within the walls of our school. It's only when we treat each other equally, keep each other safe and respect each others' points of view that we can truly become a community with compassion at its core. Have a great week. Mr Sadler.

### **Essential Knowledge from Assembly**

#### 10th December 2023: Human Rights Day

In 2023, we commemorate the **75th anniversary** of the Universal Declaration of Human Rights. Human Rights Day is important because it celebrates the idea that every person deserves to be treated with kindness and fairness, no matter where they come from or who they are. It reminds us of a special document called the Universal Declaration of Human Rights, which says that everyone has certain rights like the

right to be safe, the right to be treated equally, and the right to express their thoughts. This day helps us remember that we should always stand up for these rights and make the world a better place for everyone.
