

The Kingsway School Broadway Key Messages

Welcome Address

Coming to school is not just about developing you academically - it is also about developing you as a person, including how you view and contribute to the world we live in. In assembly this week, we will be challenging you to reflect on what you see online, especially how you navigate views that might be different than your own. Also this week and in the coming weeks, you be able to see lots of opportunities for you to become an active member of our school community or even make a positive contribution to society as a whole. There have already been many opportunities to have a positive impact on our school community or the world around you. There have already been some opportunities this year already such as: student leadership opportunities, The Big Pick, our Children in Need bake sale, the charity shoe box appeal and even the small acts of 'active kindness' many of you have been practicing all year. This week, we are introducing our foodbank appeal for all year groups, Christmas Jumper Day and the chance for Y9s to take part in a 'Paired Reading' initiative. All these are small things you can do to develop yourself and in turn make a positive difference to both our school and the world around you. Have a great week.

Mr Sadler.

Kingsway Foodbank Collection

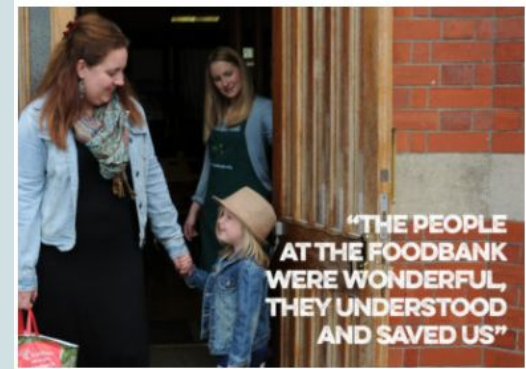

- We have done this collection for the last 6 years
- This is an opportunity for The Kingsway School to give back to the local community.
- We will be giving our donation to Stockport Foodbank, Trinity Church and Gatley Foodbank at The Bethany Church for distribution to our local community.

What is a foodbank and why do people use them?

- A food bank is a non-profit organization that collects and distributes food to people struggling with hunger.
- A simple box of food makes a big difference, with foodbanks helping prevent crime, housing loss, family breakdown and mental health problems.
- Given the year that we've had, more households are having to resort to using foodbanks

What's in a food box?

The foodbank has worked with nutritionists to ensure food parcels contain sufficient nutrition for at least three days worth of healthy, balanced meals for individuals and families.

A TYPICAL FOOD PARCEL INCLUDES:

- Breakfast cereals
- Soup
- Pasta
- Pasta sauce
- Tinned beans

Essential Knowledge from Assembly

- This week's assembly looks at the big issues that have the power to divide people - sometimes referred to as the 'culture wars'.
- It alerts students to the dangers of consuming news in 'echo chambers', as these perpetuate our existing world views rather than challenge our thinking.
- It asks students to actively seek out a variety of sources to inform our views and challenge ourselves to listen to people who have different ideas to ours.
