

The Kingsway School Foxland Key Messages

Welcome Address

This week's assembly is about our behaviour and culture and a time for us once again ask you to consider how you can have a positive impact on our school community. We want our pupils to try their best in lessons, work hard, be nice to each other and treat our school buildings with respect. The things we will be specifically asking you to consider this week is how to communicate in a respectful manner and to take responsibility if you make a poor choice. We will be sharing what positive social behaviour looks like and how every small positive action can have a huge impact collectively.

Have a positive week.

Ms Linnecor

Key messages: Ready

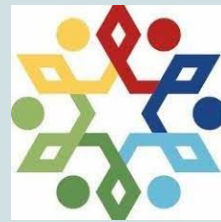

Punctuality means being organised, taking responsibility, having a positive attitude and much more. Punctuality is, in essence, the soul of politeness. This is why being on time is so important.

Why you should be on time:

- 1. You'll respect your learning time:** Being on time will allow you to maximise your learning opportunities and make every single minute (or second) count.
- 2. You'll respect others people's learning time:** When you arrive late to a lesson you automatically send the message "I don't care about you" to the persons that were waiting for you, their time is just as important as yours.
- 3. You'll show you are reliable and trustworthy:** Being on time shows that you are organised and helps to establish your reputation as a reliable person.

Key messages: Respect

Last week we saw a rise in reports of derogatory comments made towards girls. Commenting on anyone's looks is a form of prejudice.

Gender-based prejudice includes boys targetting girls and girls targeting boys. This is a form of sexual harassment. This is never acceptable.

Call it out. Report it.

**Sexual harassment is
~~just kids messing around~~
~~not worth reporting~~
~~no big deal~~
never acceptable.**

Sexual harassment includes non-consensual touching of others, using sexualised language towards others and sharing sexual images or content. Call it out. Report it.

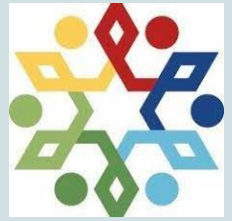

Reminders about mobile phones/electronic devices

- Mobile phones must be 'Off and away' in classrooms and around school, including the corridors - this means they are out of sight and switched off.
- Headphones should not be worn around school.
- If seen, these items will be confiscated until the end of the day.

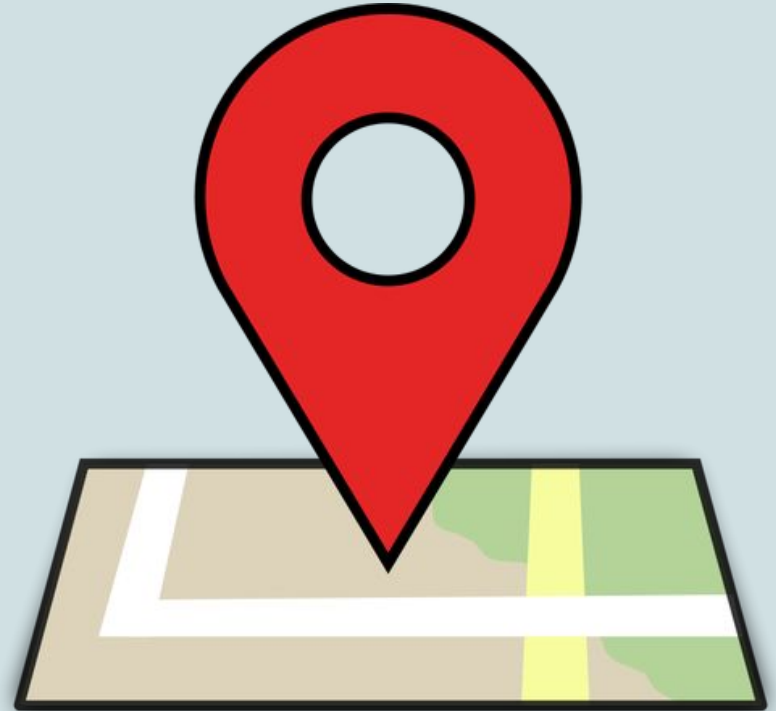

Key messages: Safe

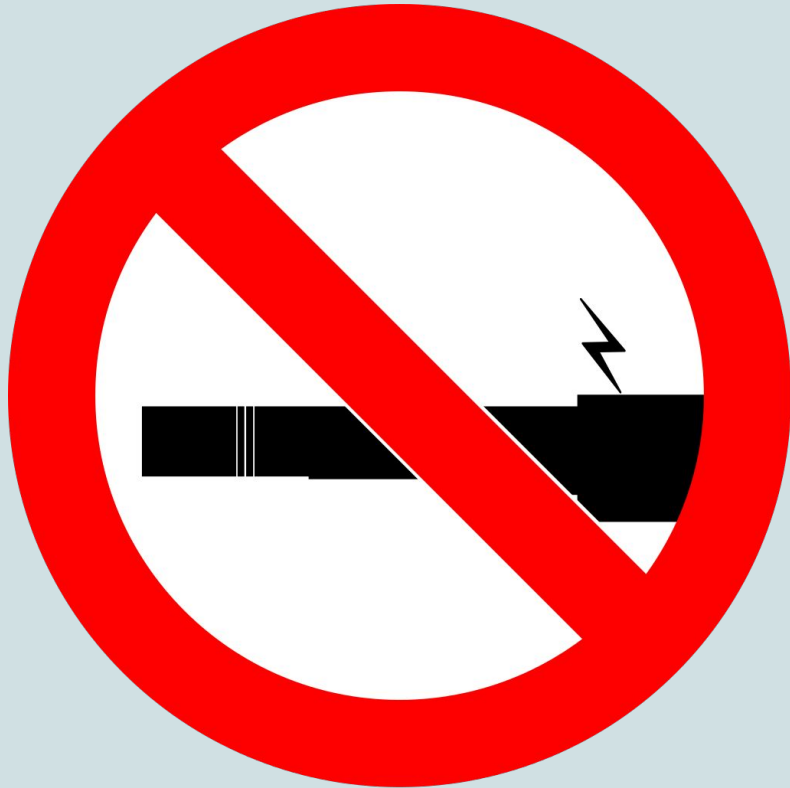

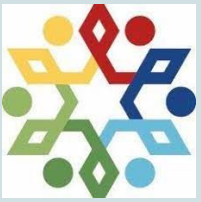

To keep you safe, we need to know where you are at all times. For the majority of the time, this should be in your lessons, where you will be registered and can learn the intended curriculum.

Any issues for the day ahead should be discussed with your Form Tutor at the start of the day so that we can give you the support you need.

Key Messages: Safe

A reminder to all students that vaping is not permitted in our school and vapes are a prohibited item at Kingsway. Vaping is restricted by law to individuals who are over the age of 18. This is due to the health risks associated with inhaling the substances in them.

Ready, Respect, Safe Assembly: Rewards Trip & Criteria

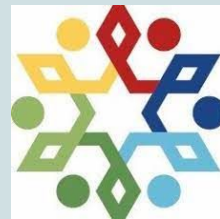

There will be a rewards trip taking place the week before the Easter Holidays for all year groups. To be eligible for this trip you need to meet the criteria below **starting from 22nd January until February 8th.**

- 95% Positive Behaviour Ratio on Classcharts
 - 95% Attendance
- Uphold our School expectations of Ready, Respect, Safe

Key Messages: Opportunity

Key Messages: Opportunity

Key Messages: Achievement

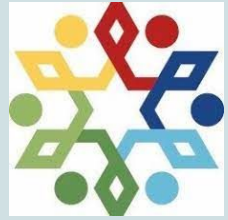

At the start of year 11 I referred to this year as preparing for the big Production at the end of year 11.

You have just completed your first dress rehearsal and have been given tips on how your performance can be improved.

Follow the advice given by your teachers, take opportunities at school by attending period 6 lessons, get into a routine at home whereby you do something extra every day.

Key Messages: Respect

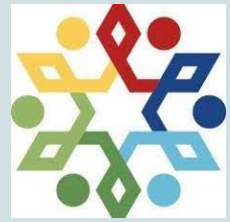

Our expectation on Foxland is that students do not wear coats in the building. This is because we want students to show their Kingsway badge with pride and so that we can identify you as part of our school community.

Some of you may be asked to leave your coats with your form tutor or head of year to support you to meet this expectation and feel part of our community.

Key Messages: Respect

We should always show respect when communicating with others.

Respectful language and communication refers to the verbal, non-verbal and written communication we use to ensure everyone is included and respected. This includes how we speak, how we write and how we interact with others.

What does respecting others sound like?

- Kind and considerate communication
- Being kind to others by not teasing, taunting, making fun of, threatening or gossiping
- Listening when someone else is talking and not interrupting
- Using good language and polite manners

In our school, we strive to speak to each other with kindness and respect. We choose our words carefully.

We do not tolerate:

- Unkind language
- Swearing and bad language
- Discriminatory language
- Rudeness to others (including staff and students)

*Things we should
say more often*

Hello

Please

You can do it

Nothing

Something nice

Life is tough and so are you

How can we show respect every day?

What you say and how you say it carries tremendous weight.

Try and use these words and phrases more often
