

The Kingsway School Broadway Key Messages

Welcome Address

The theme of our assemblies this week is: Diversity. There are many things that make our school special but one of my favorite things is how diverse our community is. Kingsway is tapestry made up of many unique individuals. There are many countries, races and religions represented, languages spoken, beliefs held as well as identities of all kinds included in our school. We strive to celebrate diversity, understand that we are all different and respect each others rights, especially in relation to our protected characteristics. Remember this week that diversity is an amazing thing and that at Kingsway, this is valued. If you feel like any aspect of your identity is not being valued or respected by others, speak to an adult and let them know what they can do to help!

Have a great week. Mr Sadler.

Key messages: Ready

Planners and Timetables: Since september, there have been lots of changes to the rooms on your timetable. This will continue as we continue to complete work on the building and open new classrooms.

A planner and a timetable are essential equipment. They help you to be organised.

We will be checking for these in the morning in the coming weeks. If you do not have BOTH of these, please let your form teacher know.

Key messages: Safe

To keep you safe, we need to know where you are at all times. For the majority of the time, this should be in your lessons, where you will be registered and can learn the intended curriculum.

On the rare occasion that you may not be able to attend your lesson, please report to a member of staff so we know you are safe and do not need to report you missing!

- Year 8 & 9 are now on first sitting and should queue up outside the canteen.
- Year 7 are on second sitting and will be served around 1.30-1.35. You should queue in the quad with Miss Francis or use The Pod in the Quad.

REMEMBER: Clean up after yourself and leave the canteen as you would wish to find it!!

Key Messages: Respect

Our expectation on Broadway is that students do not wear coats in the building. This is because we want students to show their Kingsway badge with pride and so that we can identify you as part of our school community.

Some of you may be asked to leave your coats with your form tutor or head of year to support you to meet this expectation and feel part of our community.

Essential Knowledge from Assembly

DIVERSITY (noun)

Diversity simply means 'differences'. People can be different in many ways. Some of the most obvious differences we may notice are age, gender, appearance, abilities, race or ethnicity, and religion.

When we talk about diversity in society, we usually mean including a range of people with different backgrounds and characteristics in a group.

Even though you might be strongly opposed to discrimination, it can be very difficult to challenge it when you see it. One method of challenging discrimination safely is to use the '4Ds' method.
