

The Kingsway School Broadway Key Messages

Welcome Address

This week's assembly is about our behaviour and culture and a time for us once again ask you to consider how you can have a positive impact on our school community. In a nutshell, we want our pupils to try their best in lessons, work hard, be nice to each other and treat our school buildings with respect. 95% of all points awarded this academic year have been positive, which shows that most of you do this all of the time. The things we will be specifically asking you to consider this week is how and when you use your mobile phone, how you treat the school building, how older students treat younger students and other ways that you should uphold the Kingsway rules of 'Ready, Respect, Safe'. Have a positive week.
