

Piano, drum, guitar and singing lessons

in your **school now!**
Limited spaces available!

Dear families,

The emotional, wellbeing and confidence benefits children can get from learning an instrument are immense. Whether your child is looking to build on their classroom music, support their exams, or develop a new skill, instrumental lessons can provide a valuable and rewarding experience.

We offer weekly one-to-one instrument lessons, tailored to each student's individual needs and interests. Lessons take place during the day, removing the need for additional after-school commitments.

As well as watching your child's confidence flourish, you can expect:

- A structured approach to learning including reading and understanding music
- Regular photo and video updates so you can follow your child's progress
- Lessons taught by brilliant, passionate, engaging musicians
- Direct communication with your child's teacher
- Optional support through recognised exams (but no pressure)
- Simple online sign-up and flexible monthly payments, cancellable anytime.
