

Dear Parents/Carers,

We are aware that recently the number of students arriving to school wearing false eyelashes has increased. Please support us in our strive for high standards in school and ensure that your child arrives to school after half term ready to learn without false eyelashes. You may need to use time over half term to make appointments for your child to have them removed.

On the first day back after half term we do not expect any students to arrive wearing false eyelashes. If your child does arrive to school wearing false eyelashes then they will be placed in isolation until it is corrected.

Thank you for your continued support.
