PE Department
@KingswayPE

Well done to Ethan, Lacey and Joe who represented Stockport at the Greater Manchester Cross Country Championships last weekend! Not only a fantastic achievement being asked to represent Stockport, but Lacey has also been selected to represent the Greater Manchester team!! 🏃🏃🏃

PE Department
@KingswayPE

Well done to the Yr 7 Rugby team in their fixture this week! After two close losses, the team rallied together to win their 3rd and final game, 25-15. POTM: Guy for his excellent running and Micheal for his relentless ball carrying!

Tries: Guy x2, Joseph, Behrad, Alfie

PE Department
@KingswayPE

It was an absolutely brilliant performance from the U15's Indoor Cricket Team tonight at the Stockport Finals! The team won the super- over to go through to the next round! Well done, Team Kingsway! POTM: Captain Tom F!

Community Champions Opportunity

We have been approached by the Civic Centre Development Lead for Cheadle, to see if there is any scope for TKS to be involved in a new project. The project involves converting a site on Ashfield Road SK8 1BB in to a nature area or community space.

If you have any ideas/designs on how we can transform this area, please send them to:

**THE
KINGSWAY
SCHOOL**

The Kingsway School's Parent Teacher Association ask for donations from parents to raise funds to support the school curriculum and enhance the opportunities for all of the students.

The screenshot shows a mobile app interface for 'Payments'. At the top, it says '2024/25 Kingsway Association Donation' with a redacted name. Below that, there are fields for 'For:' (redacted), 'School:' (The Kingsway School), and 'Amount:' (£ 5.00 minimum). An 'Additional info:' section contains text explaining that the Kingsway Association (PTA) raises funds to support children and aims to provide extra resources and opportunities to help enrich their experiences at school. It asks parents to kindly make a donation of any amount throughout the year to support their work.

Donate online now using School Gateway - every penny goes on purchases which make a difference.

National Apprenticeship Week

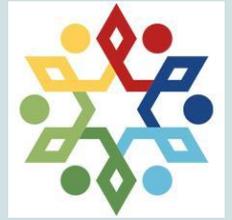

NATIONAL APPRENTICESHIP WEEK 2026

9 – 15 FEBRUARY 2026

National Apprenticeship Week

In today's fast-paced, skills-driven economy, the traditional route of full-time education is no longer the only, or necessarily best, path to a successful career. Modern Apprenticeships have emerged as a premier, high-quality alternative, offering a unique "earn while you learn" model that bridges the gap between education and the workplace. Whether you are a school-leaver, looking for a career change, or seeking to upskill, modern apprenticeships provide a tailored, flexible route to professional success without the burden of student debt.

Key Benefits for Apprentices

Earn While You Learn: Apprentices receive a salary from day one while gaining on-the-job training and earning an industry-recognized qualification.

No Student Debt: Unlike traditional university degrees, apprenticeships allow you to gain qualifications without accumulating significant tuition debt.

Real-World Experience: You gain hands-on skills in a real work environment, mentored by experienced industry professionals.

High Employment Rates: Research shows that 90%–93% of apprentices secure permanent employment or continue with further training upon completion, often with high starting salaries, particularly in fields like engineering and manufacturing.

Diverse Opportunities: Modern apprenticeships are available across hundreds of industries, from healthcare and digital marketing to construction and creative media
