Dear Parents & Carers,

Please use the attached link to indicate if you would like to be involved in one or more of our parent & carer consultation groups to support the future direction of the school. Leaders are very keen to ensure that we continue to develop our school and parent partnership and value your insights to do so.

<https://forms.office.com/e/6EABuMwFvx>

We are looking for parents & carers who would be able to attend school and give feedback and perspectives on future plans. Please note that we will be seeking to gain input from a full and broad representation of our parents. An expression of interest therefore does not guarantee that you will be asked to participate in the meetings to allow for discussion and reflection. Each consultation meeting will be followed up with a wider parent questionnaire to all parents who have expressed an interest.

With kind regards,

Ms A. Fowler
