

Family support and wellbeing over the upcoming summer holidays

Although there will be much excitement and anticipation about the upcoming summer holidays for most of our students and their families, we know that for some, time away from the routine of school can cause additional challenges.

If you are concerned about your family's or your child's welfare over the summer please contact safeguarding.team@kingsway.stockport.sch.uk.

If you are concerned about the additional financial burden of the holidays, we can provide vouchers for food banks across Stockport. Please request these via the email address above. The following website also provides useful money-saving advice: <https://www.moneymagpie.com/save-money/where-can-kids-eat-for-1-or-less-this-holiday>

The website for Stockport Family Hubs includes links to support, advice and activities for families:

Finally, we constantly update the family pages of our website with links to various sources of support:
