**Exam Contingency Dates Summer 2025** – Students **must** be available to sit exams on the afternoon of the **11th June 2025** and the morning and afternoon of the **25th June 2025**. If there is local or national disruption that prevents an exam taking place it would be rescheduled on one of these dates.

- JCQ state: *“Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those covered by special consideration, they will not be eligible for enhanced grading. Centres must therefore ensure candidates and parents are aware of the contingency arrangements so that they take them into account when making their plans for the summer”.*
