The Kingsway School Foxland Key Messages

Welcome Address

Congratulations on completing your first FULL week of lessons. The campus has been a positive and calm place with the majority of students moving to lessons with pace and purpose.

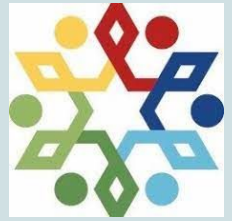

Every moment matters in your lesson. If you are not in the classroom then you could miss important information. Please make sure that you arrive to lessons on time and do not leave the lesson unless you have an appointment that has previously been agreed with your Year Team.

This week's assemblies for year 10 will focus on the importance of 'Home Learning' and the things that you can do outside of the classroom in order to succeed academically. Year 11 are going to consider the Road to GCSE and opportunities available to make that journey smoother and more successful.

Have a great week.
Ms Linnecor

Big Wins

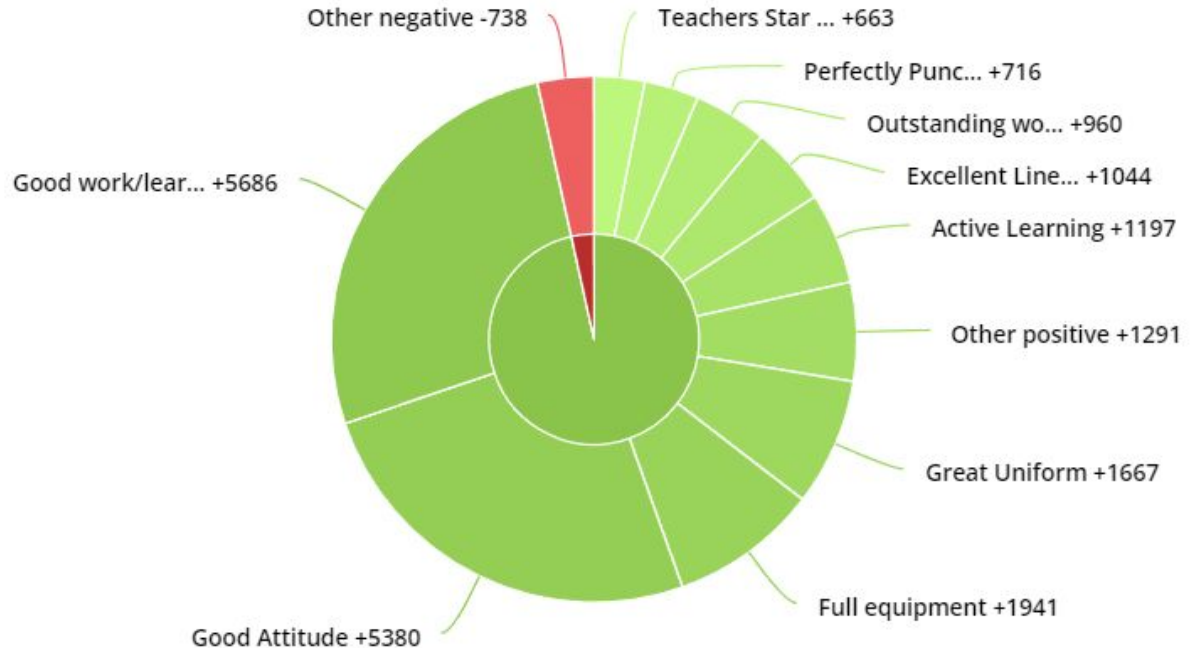

Over 13 000 positive merits were awarded to years 10 and 11 last week.

500 students in Year 10 and 11 received positive merits last week.

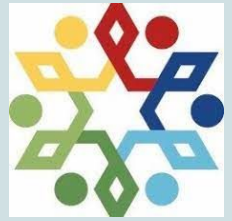

Most merits were awarded for Good Learning and Good Attitude. Fantastic.

Foxland Behaviour Week 2

Ready-Respect-Safe Expectations

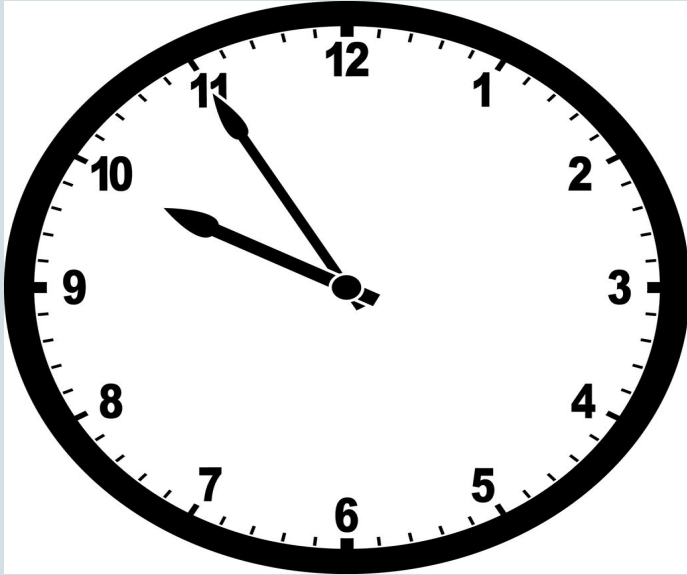

Are you on time to your lessons?

Well done to all students who make sure they are punctual for their lessons.

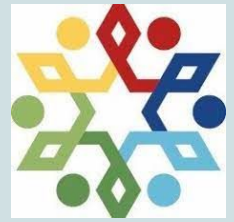

This is so important as all lessons begin with a SMART start which includes a “Do now” focused task. (This often recalls essential knowledge).

Top tip: Walk at pace from one lesson to the other. Imagine walking into a movie late and missing the first scene?

Ready-Respect-Safe Attendance

Attendance to school every day matters.
If you're not in school then you are not learning.
Good attendance is 97%.

Each Friday there is a prize draw for each year group.
Students who have 100% attendance for that week are entered.
Last week winners were:

Y7: Robyn B Y8: Jessica C Y9: Ollie K

Y10: Jake O Y11: George D

Information is being sent home this week regarding how to access support if attendance to school is a challenge for you as well as the new Government rules regarding fines for not attending school.

Ready-Respect-Safe Attendance

Your attendance in school is extremely important if you are to reach your potential.

Each member of the form with 100% attendance last week will receive merits

Well done to 10DWD

Each week the form with the highest attendance will receive extra merits

Who will win next week?

Achievement

The learning APPROACH I
will reflect on today is:

- Learning through
Oracy:

think-pair-share.

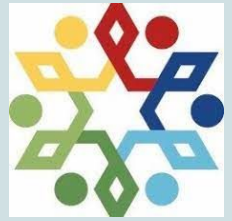

The way that you approach your
learning is key to your success.

A reminder that each lesson, you
will reflect on a key learning
approach and set targets about
how you might improve next time.

Having a great learning
approach will help you to
ACHIEVE your potential.

Respect

At TKS we actively practice kindness towards others. This is how we can create, maintain and strengthen our social connections. Last week there was 201 positives awarded to students/classes who showed kindness.

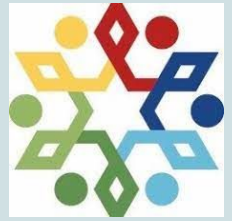

Being kind can be rewarded on Classcharts. All staff in school want to “**catch students being kind**”.

We can show acts of kindness by

- Chatting to someone
- Saying hello
- Taking part in next week’s “Big Pick” to rid our campus of litter.

Compassion

This week our anti-bullying ambassadors are on the student leadership residential so their lunch time drop in sessions will return next week.

These will be held on Wednesday lunchtimes: red week Broadway; blue week Foxland.

If you are interested in becoming an ambassador, please come along.

Remember, we do not tolerate bullying at TKS. If you witness unkindness, tell a member of staff or report on Whisper.
