Date: June 2026

Dear Parents and Carers,

As we move towards the end of another successful academic year, we wanted to take the opportunity to update you on some of the exciting next steps for our Year 9 students.

There is a great deal coming up over the next few weeks as students prepare to make the transition into Key Stage 4. Firstly, we would like to congratulate Year 9 on successfully completing their end-of-year examinations. We have been incredibly proud of the maturity, resilience and determination they have shown throughout the examination period. It has been fantastic to see how focused they are on their learning and how positively they have approached this important stage of their education.

This week, students will receive confirmation of their Key Stage 4 option choices. We are delighted that almost every student has secured their first-choice pathway, reflecting the careful thought they have given to these important decisions and the hard work of our staff in creating a curriculum offer that meets students' interests and aspirations.

With examinations now complete, our focus turns towards preparing students for the exciting opportunities that lie ahead. Over the coming weeks, students will complete their 'TKS Cultural Diploma', participate in transition activities on the Foxland Campus during Transition Week, and celebrate their achievements through our Year 9 Graduation event.

These milestones provide an opportunity to reflect on all that students have achieved during their first three years with us. We are immensely proud of their growth, achievements and contributions to our school community, and we look forward to celebrating these successes with them.

Once the options process has been fully completed and choices formally confirmed, we will also be sharing full details of our enhanced Academic and Enrichment Pathways for Key Stage 4.

We are working hard to finalise this exciting offer and are looking forward to sharing further information with students and families very soon. We believe these developments will provide even greater opportunities for students to pursue their interests, develop their talents and achieve their ambitions.

Thank you, as always, for your continued support. We are excited about the opportunities ahead and look forward to supporting Year 9 students as they embark on the next stage of their journey.

Yours faithfully,

Mrs A Fowler
