Dear Parent/Carer,

Key Stage 3 Graduation: Wednesday 15th July 2026

As outlined on our school calendar, it gives us great pleasure to invite you and your child to our **Key Stage 3 Graduation**, celebrating the achievements of those students who have successfully completed **The Kingsway School Cultural Diploma**.

Any graduation marks an important milestone in every student's journey and for our year 9 students, it marks the end of their time on our Broadway campus. As our Year 9 students come to the end of Key Stage 3 and prepare to begin the next stage of their education in Key Stage 4, it provides an opportunity to pause, celebrate and reflect on everything they have achieved.

Over the past three years, students have grown not only academically but also as confident, compassionate and ambitious young people. Through completing their Cultural Diploma, they have embraced a wide range of experiences, contributed to their community and demonstrated commitment well beyond the classroom. The quality of the work many students have produced has been truly impressive, showcasing the breadth of their achievements, interests and personal development.

Their recent Year 9 examinations have also provided a fitting conclusion to Key Stage 3. Students approached the examination period with maturity, resilience and determination, producing some outstanding performances that reflect the high aspirations they have for themselves. We are excited to see what they will achieve as they begin their GCSE courses in September.

We are incredibly proud of everything they have accomplished and would be delighted if you could join us as we celebrate this special occasion together.
