Dear Parent/Carers,

RE – Uniform Consultation

At TKS we are proud of our school uniform, it is one of the ways we demonstrate our pride both in school and in the local community. We uphold these high standards as part of our Ready, Respect, Safe curriculum ensuring uniform is worn as it is intended.

We are currently reviewing how we can continue to improve our uniform standards and support students, who have voiced that they feel the need to wear their uniform in a certain way to conform to trends and peer pressure. We are planning on making some small adaptations to our current policy to help to alleviate any of these concerns and to respond to our student voice. Please note these changes will not impact on any uniform already purchased ahead of the next academic year.

Following our in school parent consultation we would like to now invite a wider input from our parents and families. Our students are having an opportunity to share their thoughts during their form time curriculum. We therefore invite your input ahead of any proposed changes for September. Please complete the short parental consultation and share your preference using the link below and attached in school communications.
