

Show and Tell Autumn 2 2025: My Celebrations

Dear Parents/Guardians,

The theme for our Show and Tell is 'My Celebration'.

We would love for your child to either draw a picture of what their favourite celebration is or send in a photo. This could be a birthday, a religious celebration, a family party to name a few.

We will be having our Show and Tell sessions on a Tuesday and Thursday this half-term so we will leave it up to you as to when you would like your child to participate. Just remember to send a photo to earlyyears@thelanes.notts.sch.uk or send in a picture/drawing.

Please can you refer to the Show and Tell Parents Letter, sent via email, with some ideas to help your child talk about their photo/picture.

Below is an example of how your child could present their Show and Tell.

My celebration is my birthday party.

I celebrated my 5th birthday.

In my photo there are lots of different coloured balloons and we are wearing party hats.

The best thing about my birthday was my cake, which had lots of flowers on it.

I enjoyed it because lots of my friends sang Happy Birthday to me.

Many thanks

Foundation 2 Team
