Dear Parents of Early Years pupils

Please find attached some information about the upcoming Reception Baseline Assessments that will be taking place before half term in Reception. This is a statutory assessment which will be used to measure the progress of the children in school when they leave Year 6. All the information about the assessment is included in the attached leaflet.

I want to reassure you that this is a very low-key assessment, staff have received training on how to carry out the assessment and it is unlikely your children will notice the assessment happening as it is carried out as part of a normal day.

The school does not receive any information about the results and they are not used other than to measure progress at the end of primary school.

We would also like to point out our privacy notice which outlines how the school processes personal data. This is on the GDPR page of the website <https://primarysite-prod-sorted.s3.amazonaws.com/the-lanes-primary-school/UploadedDocument/044a2591c8a042d8ab63b6b2e8e0fe19/privacy-notice-sept-19.pdf>

If you have any questions about the assessment, please talk to one of the reception team.

Thanks

Pete Wilkes
