Message from the F2 Team

Our lunchtime supervisors have mentioned how well the children are doing with using their knives and forks at lunch time. So well done everyone!

Key Information

We are doing our very best to help the children to become more independent when coming into school, so you could help by saying goodbye to your child at the door and we will help them to come in and put their things away. Thank you!

Please make sure to label all clothes that the children will wear in school. This gives us a higher chance of reuniting lost items with your child.

- In Maths we will be working on our counting to 5. We will be counting a range of objects to find 'how many altogether' and focusing on counting each object once.
- Phonics this week is; g, o, c, k and tricky words (and to)
- In Art we will be making collage gingerbread men

If you need to talk to us, we prefer to do this either face to face or on the phone. You can catch one of the team on the playground in the morning or at the end of the day. If you can't catch us, you can email the year group team on earlyyears@thelanes.notts.sch.uk

Whole school information

The governing body of the school is made up of a variety of roles, some of which are parents who are elected to sit on the governing body. We have 3 parent governors whose tenure has ended. As a result, there are 3 parent governor positions and the school will be running an election process. All the details are on the school website and can be viewed here - <https://www.thelanes.notts.sch.uk/parent-governor-vacancy/>. Nominations close on Friday 17th October at 9am.

Message from Mr Wilkes

We enjoyed a harvest festival assembly delivered by Claire and Laura from Christ Church on Monday and part of this was thanking the children for their food donations. I took a group of School Ambassadors to the Hope foodbank hub at St Barnabas Church to drop off the donations. The hub was very grateful and wanted me to pass on their thanks.

As we head towards the end of the half term we are looking forward to welcoming you to parents evening during the week of the 13th October. This will be an opportunity for you to hear all about how your children have settled in to their new year group. We have had some issues with the booking system, however these have been resolved and you are now able to book an appointment with your child's class teacher.
