Message from Mr Wilkes

Welcome back to a new half term which has got off to a great start! I have been away this week with the Year 6 children who have made me so proud with the way they have supported each other and pushed themselves to overcome challenges. They are a wonderful group of children and a credit to the school. A big thanks to the staff team who have worked tirelessly to make it a positive and memorable experience. (As year 6 are away there won't be a newsletter from them this week).

During last half term, we ran a recruitment process to appoint a new role to the school: Inclusion Leader. The Inclusion Leader will work in school for 3 days a week and alongside being the new SENCo, will also oversee a number of other areas. After a robust interview, I am really excited to say that Mrs Emma Langon will be joining us in January. She currently works as a teacher and SENCo in a primary school and will bring with her a wealth of experience.

Thank you to those parents who have put themselves forward as parent governors. Please make sure you return your ballot paper to school no later than 9am on the 17th November.

The work on the Nursery classroom was completed over the half-term break and it has created a fabulous environment for the children. We are now excited about the development of the outdoor space.

You will have also seen the construction work which is taking place at Cator Lane. This is to have a ramp installed to enable access from the lower to upper playground. This work should take about 4 weeks.
