

Message from the F2 Team

We have been amazed by how well the children have been doing at lunch time. They have been eating so nicely and have been great about giving the food a go!

Keep encouraging them to try school dinners, it's really helping!

Whole School Attendance

F2 97.1% Y1 96.2% Y2 95.6% Y3 98%

Y4 99.1% Y5 98.3% Y6 98.3%

The whole school target for attendance is 97%

Key Information

Please remember PE kits as PE lessons are starting on Friday 19th. Refer back to the information booklet sent out last week for the list of what the children need.

Next week we will be making porridge using oats and oat milk. The children can bring in a small teddy to join us for this.

This week's learning

In Literacy we will be continuing learning about Goldilocks and The Three Bears. We will be changing the story using our own ideas. In PE we will be developing our gross motor skills on the apparatus. In Art we will be doing some painting and some mixed media pictures based on our work on Goldilocks and The Three Bears.

As part of our Understanding The World work we will be making porridge. We will use oats and oat milk and will encourage all the children to try a little bit.

If you need to talk to us, we prefer to do this either face to face or on the phone. You can catch one of the team on the playground in the morning or at the end of the day. If you can't catch us, you can email the year group team on earlyyears@thelanes.notts.sch.uk

Whole school information

Please can we ask you to be considerate of our neighbours and pedestrians when dropping children off at school. There has been a number of unnecessary conflicts which have upset children and adults on the streets around school. It is not the responsibility of the staff to manage this and if they have any concerns, it will be referred to the police. Please be kind and patient.

Message from Mr Wilkes

It has been another fabulous week at The Lanes with the children settling really well into the new year. I have the pleasure of interviewing for the School Ambassadors tomorrow and I can honestly say I am so impressed with their letters of application. They will be working with the children across the school to select the nominated charity, leading assemblies, supporting me with monitoring work and representing the school when we have visitors. I am really looking forward to working with them.

You will have seen last week, and may have heard from the children, about the new reading logging system – Beanstack. The staff have had their training this week, but we still have a few things to iron out before we are ready to give you access. However, your children are still reading in school and books are coming home
