Message from the Year 1 Team

We have a very exciting dinosaur workshop for the children on Wednesday 17th September, where we will all become palaeontologists!

There will be a 'wow' parent event on the 15th October at 2.45. You are all invited to come into school to celebrate the children's work.

This week's learning

Maths – This week we are comparing numbers to 10. We are ordering numbers and amounts and thinking about ordinal numbers 1st, 2nd, 3rd

English – We continued to read the story of 'The Little Green Dinosaur' and we have been writing our own version of the story. We will begin the story of Giganotosaurus, working on new vocabulary and comprehension.

Topic – In history we are talking about fossils and the work of Mary Anning. We are learning about Judaism in RE and resilience in RSHE. In science we will look at our senses.

If you need to talk to us, we prefer to do this either face-to-face or on the phone. You can catch one of the team on the playground in the morning or at the end of the day. If you can't catch us, you can email the year group team on year1@thelanes.notts.sch.uk

Whole school information

Please can we ask you to be considerate of our neighbours and pedestrians when dropping children off at school. There has been a number of unnecessary conflicts which have upset children and adults on the streets around school. It is not the responsibility of the staff to manage this and if they have any concerns, it will be referred to the police. Please be kind and patient.

Message from Mr Wilkes

It has been another fabulous week at The Lanes with the children settling really well into the new year. I have the pleasure of interviewing for the School Ambassadors tomorrow and I can honestly say I am so impressed with their letters of application. They will be working with the children across the school to select the nominated charity, leading assemblies, supporting me with monitoring work and representing the school when we have visitors. I am really looking forward to working with them.

You will have seen last week, and may have heard from the children, about the new reading logging system – Beanstack. The staff have had their training this week, but we still have a few things to iron out before we are ready to give you access. However, your children are still reading in school and books are coming home.
