This week's learning

Maths – We have been subtracting numbers to 10 and using part whole models and tens frames to help us.

English – We continued our work on retrieving information from a non-fiction text on dinosaurs. We have also been practicing our handwriting and sentence writing skills. Please continue sharing books and reading together at home over the half term holiday.

Topic – In science we reviewed all the knowledge we have learnt about the human body and our senses. We have learnt about and celebrated Black History Month together. We learnt all about Rosa Parks and the work she did, the children enjoyed discussing why she is important and we made posters together to show the importance of treating everyone fairly and equally and with respect.

Whole school information

Please can we politely ask that if your child is playing on the playground at the end of the day, they are closely supervised. We have had some children climbing on top of the boiler house roof this week which is not safe. Staff are unable to supervise at this time so please make sure you children are playing responsibly and keeping safe. Please ensure that you leave the playground by 3.45pm as Lime Trees will need use of the area after half term.

Message from Mr Wilkes

Thank for a fantastic half term! The children have settled into the new year really well and it has been great to hear about how hard they have been working. It has been lovely to see so many of you this week and again, lots of positive and supportive comments from teachers and parents.

During the half term break, the nursery at Meadow Lane is being remodelled and decorated and we are really excited about seeing the improvements. We are currently finalising designs and quotes for the Early Years outdoor space. Mrs Couchman will be leaving us today after 18 years of working in the school office. We would like to thank her for all she has done for the school during her time with us. We wish her all the best for the future.

Have a wonderful half term break and I look forward to hearing all about what the children have been up to when we return on the 3rd November.
