### This week’s learning

In English, we will innovate our own version of Eliot Midnight Superhero. Children will write their own adventure from the story with their own superhero.

In Maths, we will finish ordering numbers to 100. We will recap counting in 2s, 5s and 10s and then we will move onto addition and subtraction.

In Topic, we will explore hygiene in Science, teamwork in PSHE, belonging in RE and begin our PE unit: Attack, Shoot, Defend.

If you need to talk to us, we prefer to do this either face to face or on the phone. You can catch one of the team on the playground in the morning or at the end of the day. If you can’t catch us, you can email the year group team on [year2@thelanes.notts.sch.uk](mailto:year2@thelanes.notts.sch.uk)

### Whole school information

Please can we ask you to be considerate of our neighbours and pedestrians when dropping children off at school. There has been a number of unnecessary conflicts which have upset children and adults on the streets around school. It is not the responsibility of the staff to manage this and if they have any concerns, it will be referred to the police. Please be kind and patient.

### Message from Mr Wilkes

It has been another fabulous week at The Lanes with the children settling really well into the new year. I have the pleasure of interviewing for the School Ambassadors tomorrow and I can honestly say I am so impressed with their letters of application. They will be working with the children across the school to select the nominated charity, leading assemblies, supporting me with monitoring work and representing the school when we have visitors. I am really looking forward to working with them.

You will have seen last week, and may have heard from the children, about the new reading logging system – Beanstack. The staff have had their training this week, but we still have a few things to iron out before we are ready to give you access. However, your children are still reading in school and books are coming home.
