

YEAR 4

NEWSLETTER

Week beginning 15.9.25

Key Information

In the coming week we'll be sorting out your child's TT-Rockstars logins.

It would be great if you could help your child to access this website at home at least once a week to help them learn their times tables ahead of the statutory times tables check in June.

<https://play.ttrockstars.com/>

Whole School Attendance

F2 97.1% Y1 96.2% Y2 95.6% Y3 98%

Y4 99.1% Y5 98.3% Y6 98.3%

The whole school target for attendance is 97%

Message from the Year 4 Team

You should have received an invitation to log into your child's new class journal on **SeeSaw**. Please let us know if there are any problems with this.

Our topic this half term is 'Sound' and we'll be making musical instruments in our D and T lessons. If you have any **shoe-box sized boxes** at home, please send them in. Thank you for your support with this.

A reminder that earrings must be removed at home for PE day.

This week's learning

In Maths this week we are learning about locating numbers up to 10,000 on a number line and writing numbers up to 100 as Roman numerals. In English, we'll be finishing off the Wolves in the Walls with a funny, surreal writing task. Then we'll be beginning to work on Harry Potter and the Philosopher's stone...! In Science, we'll be learning about how we hear sounds and the workings of the inner ear. We'll be continuing to learn about Wassily Kandinsky in Art and recreating his 'Squares with Concentric Circles'. We'll also be learning about psalms and hymns in RE, networks in Computing and writing the musical instruments in French.

If you need to talk to us we prefer to do this either face to face or on the phone. You can catch one of the team on the playground in the morning or at the end of the day. If you can't catch us you can email the year group team on year4@thelanes.notts.sch.uk

Whole school information

Please can we ask you to be considerate of our neighbours and pedestrians when dropping children off at school. There has been a number of unnecessary conflicts which have upset children and adults on the streets around school. It is not the responsibility of the staff to manage this and if they have any concerns, it will be referred to the police. Please be kind and patient.

Message from Mr Wilkes

It has been another fabulous week at The Lanes with the children settling really well into the new year. I have the pleasure of interviewing for the School Ambassadors tomorrow and I can honestly say I am so impressed with their letters of application. They will be working with the children across the school to select the nominated charity, leading assemblies, supporting me with monitoring work and representing the school when we have visitors. I am really looking forward to working with them.

You will have seen last week, and may have heard from the children, about the new reading logging system – Beanstack. The staff have had their training this week, but we still have a few things to iron out before we are ready to give you access. However, your children are still reading in school and books are coming home.
