Key Information

5CC and 5MS will have PE on Fridays and 5CT on Wednesday mornings.

5CT will have swimming on PE Tuesday mornings.

In Year 5, we are continuing to encourage respectful and positive behaviour in school. We've been discussing the importance of speaking kindly and listening carefully. Building good habits now helps children grow into thoughtful and responsible individuals. We're proud of the way many of our pupils are showing maturity and respect. Let's keep working together to support this positive behaviour everyday.

This week's learning

In Literacy, we will be creating our own story endings based on predictions made from the previous week.

In Maths, we will be using formal written methods for addition and subtraction and applying these to word problems.

In Design and Technology we will be creating a rainforest diorama and adding a CAM.

In Science, we will be looking at naturalists and what makes them important. We will then create a fact file about one of them.

Message from Mr Wilkes

We have been made aware that several titles in the *Spy Dogs, Spy Pup, and Spy Cat series by Andrew Cope* contain a weblink at the back of the book that no longer directs people to information about the books. Instead, the link has been compromised and now leads to inappropriate and unsafe material, containing pornographic content with no age restrictions.

We have removed copies of the book from our school library and classroom book corners.

Below are images of some of the front covers in the series to help you identify the books should you have any at home. We advise you remove them immediately. Should any be the property of the school, please return them and we will dispose of them accordingly.
