Whole school information

We have lots of great events coming up in the next week – we have the Christingle Service at St Johns Church where some of our choir will be singing. On Tuesday, it is Carols in the Playground at Meadow Lane with the Salvation Army Band and some lovely food and drink. We also have the Christmas Fair next Friday! In order to support the Friends with the fair we are having an optional non-uniform day on Thursday 4th December for a donation of some cake or chocolate!

Message from Mr Wilkes

I hope you have all had a good week. The children have continued to work really hard getting ready for the Panto, undertaking assessments, creating some wonderful artwork and getting engaged in reading.

We hosted an online reading meeting for Y3 - Y6 parents this evening which was expertly delivered by Anna Hodkin and Dean White. The slides and recording will be available on the school website next week. The key message is very much talk and read as much as you can at home!

As part of our school improvement work we are reviewing our approach to spellings. The children will no longer be sent home with spelling lists or have spelling tests. Having reviewed research in this area there are more effective ways which we will update you on in the new year.
