D&T – Evaluating and build and re-imagining the project.

Whole school information

We will be hosting an online meeting for parents of children in Year 3 to Year 6 next Thursday 27th November at 5.30. The theme of the meeting will be to update you on our approach to the teaching of reading, an opportunity for you to ask questions and for you to get some tips for supporting your children at home. Joining instructions will be made available early next week

We have had a number of concerned residents get in touch with school about some of the parking on the streets around school. There have been times where driveways have been blocked, cars have been driven too fast, and some residents have been spoken to in disrespectful ways. Please be considerate of the residents who live near school and where possible try to park away from the school site.

Message from Mr Wilkes

Thank you for engaging with the Parent Governor ballot process. We received over 250 ballot papers and I am pleased to announce that Emma Alston, Jonny Cook and Natalie Spink will be joining the governing body. I am really looking forward to working with them.

As many of you may have noticed, Miss Buckley in Y2 is expecting a baby and will be starting her maternity leave sometime in January. We are currently working on plans to ensure a smooth transition and will keep Year 2 parents informed as soon as arrangements are finalized.

We currently have some vacancies for Midday Supervisors. Our team are really dedicated to making sure lunchtimes are a positive experience for the children. If you are interested in joining our team, the application pack will be available on <https://whptrust.org/careers/vacancies> from Friday.
