

YEAR 6

NEWSLETTER

Week beginning 29.9.25

Key Information

Thursday pm- **PPA Day** – Planning and preparation time.

PE day – Wednesday for 6PW/6DW and Thursday for 6LS

If your child is bringing their phone to school, please bare in mind the phone **MUST** be turned off before your child enters the school site - this is the same at the end of the day.

Kit list for residential has been sent out.

Please ensure your child is wearing the correct uniform – trainers should be not be worn except on PE days.

Message from the Year 6 Team

Please bring an apron/large shirt to wear as we will be printing Friday 26th

Please encourage your child to practise their **times tables** as we have noticed some children are finding this difficult and this will really help them reduce the cognitive overload when we come to more difficult concepts in maths.

6PW – Mr Wilkins / Mrs Carre (PPA)

6DW – Mr White / Miss Miles / Miss Malone (PPA)

6LS – Miss Strickland / Mrs Wagstaff (Sports Coach for PPA)

Attendance

F2 96.4% Y1 95.8% Y2 96% Y3 96.7% Y4 97.9% Y5 97.5% Y6 96.9%

The whole school target for attendance is 97%

This week's learning

Maths – Factors, multiples, prime, square and cube numbers.

English – outsiders – sea tongue – writing to narrate so the reader feels intimidated.

RSHE – resilience

History – Crime in Narrow Marsh

Whole school information

We have put together the dates for this term and tried to be as specific as we can with timings etc. Whilst we have spent a lot of time getting them together, there may be situations when times will change. If this happens we will try our best to give you as much notice as possible.

The email to book an appointment for Parents Evening will be sent out next week.

Message from Mr Wilkes

Thank you for your understanding with the change of gate openings at Cator Lane, it is much better now we don't have children walking through the car park. Just a reminder that the small gate on top playground is also open for you to use, this prevents a bottleneck at the crossing patrol.

We are still working with Beanstack on getting the new system up and running, apologies for not getting this out to you sooner but we are working with the company to make sure it is fully tested and ready to go.

As part of the INSET day at the start of term we spent some time reviewing the values. We had another session working with the staff team on them last night and we are almost ready with a draft. In the next couple of weeks, I will be sending it out with the rationale for the changes and would welcome any feedback.
