

YEAR 6

NEWSLETTER

Week beginning 3.11.25 & 10.11.25

Key Information

PE day – Monday for 6PW/6DW and Thursday for 6LS

Residential – the time has come for us to embark on our Y6 residential to Mount Cook. Please ensure that you and your child have been through the kit list together and that they have packed waterproofs. Please don't send any money with your child as we won't be using the gift shop this year.

After half-term, we will be starting our new topic on the incredible book, *Holes* by Louis Sachar.

Message from the Year 6 Team

Beanstack – thank you so much for your incredible engagement with Beanstack. Year 6 have been top of the leaderboard for the past week. Let's stay there!

Times tables – at the end of every week, we test the children on their times tables. We have been blown away by how quick the children have started recalling their times tables. Please ensure that your child is using Times Tables Rockstars and practising their times tables regularly – it really makes a difference.

We will be setting tasks for the SATs revision guides but these won't be set until we come back from residential.

Attendance

F2 96.4% Y1 95.6% Y2 95.9% Y3 95.7% Y4 97.1% Y5 96.4% Y6 96.4%

The whole school target for attendance is 97%

This week's learning

Week 1

We will be on residential from Tuesday to Friday during this week but we will be learning about the different states in the US (linked our work on Holes).

Week 2

Maths – we will be problem solving with fractions and then multiplying fractions by whole numbers.

English – we will be starting *Holes* and working on learning the meaning of some of the vocabulary from the book and a Camp Green Lake survival guide.

Science – we will be starting our topic on the human body.

RSHE – we will be doing some work around Anti-Bullying Week which will be on w/b 10th November 2025

Whole school information

Please can we politely ask that if your child is playing on the playground at the end of the day, they are closely supervised. We have had some children climbing on top of the boiler house roof this week which is not safe. Staff are unable to supervise at this time so please make sure you children are playing responsibly and keeping safe. Please ensure that you leave the playground by 3.45pm as Lime Trees will need use of the area after half term.

Message from Mr Wilkes

Thank for a fantastic half term! The children have settled into the new year really well and it has been great to hear about how hard they have been working. It has been lovely to see so many of you this week and again, lots of positive and supportive comments from teachers and parents.

During the half term break, the nursery at Meadow Lane is being remodelled and decorated and we are really excited about seeing the improvements. We are currently finalising designs and quotes for the Early Years outdoor space. Mrs Couchman will be leaving us today after 18 years of working in the school office. We would like to thank her for all she has done for the school during her time with us. We wish her all the best for the future.

Have a wonderful half term break and I look forward to hearing all about what the children have been up to when we return on the 3rd November.
