ITEM NO.		ACTION
NO.	GOVERNANCE AND ADMINISTRATION	
1.	Welcome, Quoracy, Apologies and Declarations	
	The meeting was opened by the Chair, who welcomed all attendees. Quoracy was confirmed. Apologies were received and accepted from TP and AH. No new declarations of interest were made by members present.	
	A proposal was raised to explore the possibility of consolidating governance platforms by using a single Governor Hub for both Castle and Dove Bank schools. This would aim to streamline communication, document sharing, and administrative processes across the two schools.	
	Action: Clerk to consult with AH regarding the feasibility and implications of this shared platform approach.	Clerk
2.	AOB	
	There were no items of AOB tabled for discussion.	
3.	Minutes of the last meeting and Matters Arising	
	The minutes from the previous Local Governing Board meeting held on 1st May 2025 were confirmed as a true and accurate record of proceedings. Governors approved the minutes. ACTION: Upload the approved minutes to Governor Hub and mark as signed.	Clerk
	The joint action log from the previous meeting was also reviewed. Progress was noted on several items, with outstanding actions to be carried forward where necessary.	
4.	Membership update	
	The Board discussed current and upcoming changes to its membership. It was formally noted that DW would be stepping down from his appointed governor role effective 31st August 2025. The Board expressed sincere thanks for his service and acknowledged his offer to continue supporting the school if needed during the transition.

	Additionally, GE's removal from the Board was confirmed as of 30th June 2025.	
	Three new governors have been formally appointed to the Board commencing 01.09.25. Two have been appointed as parent governors at Castle and appointed governors at Dove Bank. The remaining governor will be an appointed governor on both Boards. Among the new governors, one brings educational expertise, and the other candidates are community members with a strong interest in supporting the schools.	
	 Link Governor Roles for 2025–26 The Board undertook a detailed discussion on the allocation of link governor roles for the upcoming academic year. These roles are critical in ensuring focused oversight on key strategic areas. Dove Bank School: Emphasis is placed on curriculum development, particularly the implementation of skills-based learning and spelling. 	
	 Confirmed Link Roles: TB: Sustainability – TB noted that cyber security is becoming a significant area of focus in other Trusts, and this will be explored further. AR: Personal Development, including oversight of Pupil Premium strategy and impact. JT: Safeguarding – JT expressed willingness to continue in this role but flagged 	
	 potential constraints due to work commitments. AC: SEND – AC will take over from DW, with a handover to be arranged. GP and a new governor: Curriculum – to support curriculum development and monitoring across both schools. 	
	• EYFS: This role remains vacant and will be addressed in the next meeting. ACTION: Confirm the two-week window for link governor visits for the 2025–26 academic	Clerk
	year. ACTION: Add the EYFS link role to the September LGB agenda for discussion and assignment.	Clerk
	STRATEGIC DIRECTION AND PROGRESS AGAINST PRIORITIES	
5.	 b) Dove Bank – Review of SIP Impact 2024–25 The Board discussed the progress at Dove Bank, with a focus on curriculum development. The implementation of skills-based learning and improvements in spelling were highlighted as key areas of progress. Further detail will be available following the upcoming INSET day. c) The SIP priorities are currently being finalised and will be confirmed during the INSET day scheduled 11.07.25. 	
	Governors noted that Headteacher Performance Management Panel (HTPMP) met on 08.07.25.	
	EDUCATION	
6.	Pupil Numbers b) Governors noted the latest pupil numbers with 218 on roll. The school continues to manage a diverse intake, with implications for support and resource planning.	
7.	Attendance a) The attendance data was reviewed and governors noted that the current attendance rate was recorded as 96.3% which is above both national and Local Authority averages. Governors noted that holidays during term time have increased during the summer

	term. There was also an outbreak of chicken pox which impacted attendance. The	
	school will continue to manage attendance through the robust processes in place.	
8.	Rewards and Behaviour	
	b) Behaviour data, including suspensions and exclusions, was received. The school	
	continues to monitor trends and respond with appropriate support and sanctions.	
9.	Progress and Attainment	
J.	 b) The Board received a detailed update on progress and attainment across key stages, with a breakdown by pupil groups including Pupil Premium, SEND, disadvantaged pupils, and gender. It was noted that the results were expected and that the Trust were aware of the issues identified and the context of the Year 6 cohort. Early Years: 28 pupils, including 13 with SEND, 3 with EHCPs, and 6 Pupil Premium. 57% achieved a Good Level of Development, below the national average of 69%. Phonics: 76% pass rate. Four pupils did not meet the standard and will receive targeted intervention from September, including daily one-to-one tutoring. MTC: 35% pass rate, below the national average but an improvement from 25% the previous year. Key Stage 2: Reading: 70% at expected standard. Writing: 74% at expected, with 15% at greater depth. Maths: 63% at expected standard. Q: Has the additional funding for writing resources contributed to the improved outcomes? A: Yes. The investment has had a positive impact, particularly in writing, despite the cohort having a high proportion of SEND pupils. 	
	Q: Does the new Year 6 cohort present challenges? A: Yes. The school is planning for continuity by ensuring Year 6 teachers work closely with Year 5 staff to support transition and curriculum planning.	
	JT left the meeting at 5:15 PM.	
10.	Link Governor Monitoring The Board noted recent link governor visits from AC on safeguarding and AR on personal development. These visits provided valuable insights into their respective areas of responsibility. DW and Greer Amison, Dove Bank SENCO, also conducted a joint analysis of the growing number of SEND pupils at Dove Bank. This analysis is expected to inform projected outcomes for future cohorts and support early planning. Q: With such a high number of SEND pupils in the class, were these needs identified early, and could earlier intervention have improved outcomes? At Year Same pupils were mid year admissions and were immediately placed on the SEND.	
	A: Yes. Some pupils were mid-year admissions and were immediately placed on the SEND register. Several pupils have only recently been added to the register, and two EHCP requests are currently in progress—both of which ideally should have been initiated in Reception.

	It was noted that 76.4% of the current cohort at Dove Bank have SEND, up from 70% the	
	previous year. This trend is placing increasing pressure on resources and intervention	
	strategies, as the school works to close attainment gaps.	
	There was a discussion around the school's growing reputation for inclusion, with positive	
	feedback circulating on social media. Governors queried whether Dove Bank could be	
	considered for a resource provision, especially given that other schools in the Trust have	
	recently opened similar provisions. The site has available land that could accommodate	
	such an expansion.	
	ACTION: Query to be raised with the Trust regarding the feasibility of establishing a	SD
	resource provision at Dove Bank.	
11.	Pupil Premium	
	Castle & Dove Bank – Review of Pupil Premium Spending (2024–25)	
	The Board discussed the impact of Pupil Premium funding. A full assessment of the 2024–	
	25 spending is scheduled for the summer, with a report to be presented in the autumn	
	term.	
	Q: Is there value in conducting link governor work around demographics as part of the	
	Personal Development (PD) remit?	
	A: Yes, this would be a valuable addition.	
	Action: Organise a link governor visit focused on disadvantaged pupils and contextual data	AR
	at Castle.	
	The Board also discussed the importance of gathering parent and staff voice to inform	
	future planning. While this has not yet been completed, it remains a priority.	
	Q: Is parent engagement different across the two schools?	
	A: Yes. Engagement has historically been managed differently, particularly at Castle,	
	where expectations are still evolving.	
	ACTION: Conduct parent and staff voice surveys in the autumn term.	SD
	ACTION: GP and SD to meet to develop specific, targeted questions for the parent survey.	GP/SD
	ACTION: Consider using iPads at parents' evening to collect responses efficiently	SD
12	WELFARE	
12.	Safeguarding	
	AC conducted a pupil voice activity with children from Year 2 and above as part of a recent	
	link visit. Pupils were articulate and confident in discussing how they stay safe both in and	
	out of school. The visit was described as positive, with a broad range of pupils participating.	
	Governors commented on how encouraging it was to read the pupils' responses and see	
	their understanding of safeguarding concepts.	
13.	Welfare and Wellbeing – Students	
	Updates were received from both schools. While no specific concerns were raised,	
	wellbeing remains a key focus area, particularly in light of the high SEND numbers and the	
	demands on staff.	<u> </u>
14.	Welfare and Wellbeing – Staff	
	Staff wellbeing was also discussed. Governors asked about Greer Amison's role for	
	September which the school confirmed would be finalised at the forthcoming	
	performance management meeting.

	Governors noted the importance of being mindful of Greer's workload with the dual	
	SENCO role. There was also a suggestion that a potential ECT could take on PE from Greer	
	in a supported capacity to help distribute responsibilities.	
	LOCAL MATTERS & STAKEHOLDER ENGAGEMENT	
15.	Local Policy Approval	
	There were no policies to be reviewed at this meeting.	
16.	Governor Training Update	
	a) There was no feedback to receive on governor training at this meeting.	
	b) Governors acknowledged receipt of the skills audit results.	
17.	Stakeholder Engagement – Parents / Carers	
	Governors noted the recently established PTA at Castle and suggested collaboration	
	between Dove Bank and Castle PTA's to foster a stronger sense of community.	
	It was also agreed that future events would be shared with governors in advance.	
	ACTION: Share community PTA events with governors in advance.	SD
18.	Stakeholder Engagement – Wider Community	
	Engagement with the wider community continues to be a priority. No specific updates	
	were shared, but governors are encouraged to support local initiatives and events.	
19.	Communication – to Trust	
	Q: Is there a plan to update devices running Windows 10?	
	A: An audit has been completed across all schools.	
	ACTION: SD to follow up with the Trust to ensure that obsolete devices are replaced.	SD
20.	Communication – from Trust	
	The results of the recent EDI (Equality, Diversity, and Inclusion) survey were shared The results of the recent EDI (Equality, Diversity, and Inclusion) survey were shared.

	• AC attended the recent Chair's Forum and reported that feedback from the Governor Conference was very positive. There was a strong focus on improving induction for	
	new governors, with plans for a centralised training course under consideration.	
	 Encouragingly, the Trust now has more governors than last year, which was seen as a 	
	positive development.	
	postar o distriction	
	ACTION: Issue summary of minutes to the Trust.	Clerk
21.	AOB	
	Governors thanked SD and all the staff for all their hard work throughout the course of the	
	year.	

The meeting closed at 5:45pm.
