

Year group	4	 <h1 data-bbox="967 121 1335 252">Topic Web</h1>	Term	1
Maths 	 English	RE 	Science 	History 
<p>This term will heavily focus on ensuring we have a really strong place value knowledge and learning about thousands. Alongside these, we will be working to add and subtract successfully and starting to practice our times tables.</p>	<p>This term, we will be writing a setting description based on our book, The Great Kopak Tree by Lynne Cherry. We will ensure that our basic skills such as full stops and capital letters are in place. Our kinetic letter handwriting will help us improve our presentation.</p>	<p>Christianity- We are looking into the question of "What is it like to follow God?" The children will enjoy looking at the lives of people that follow the religion of Christianity.</p>	<p>This term, the children will be learning about sound. They will be building their own telephone, creating an understanding of how sound travels and different sounds they will experience in their environment.</p>	<p>In History, we are studying the Anglo-Saxons and Vikings with a focus on 'How did the Anglo-Saxons and Vikings impact daily life in Britain?' This unit will explore Anglo-saxon influences, Viking influences, what Anglo-Saxon daily life was like including religion, society and trade.</p>
Art 	Computing 	PSHE 	Music 	PE 
<p>In art, we will be exploring the artistic style of Pop art through the artist Andy Warhol. The children will try to recreate their own pieces of art using this style as their inspiration.</p>	<p>This term, our focus is on digital literacy. Children will be beginning to understand how the internet is built and how webpages are formed. Each term will also focus on online safety, teaching the children how to stay safe using technology.</p>	<p>In Term 1, our unit is 'Being Me In My World'. We will look forward to the year ahead and how we can work together well throughout the year. It also talks about how we can be an outstanding school citizen and learning about democracy in society.</p>	<p>In our reading lessons this term, we will be studying Varjak Paw by SF Said. This is about a cat who is trying to learn the way of Jalal. It follows him and his friends along their journey as they try to navigate their way through the city.</p>	<p>This term, children will be having swimming lessons every Wednesday and will be learning about Netball skills on Fridays. They will have an opportunity to practice different passes and defences as well as participating in class games.</p>
