Introduction

The Governance Handbook issued by the Department for Education states:

All boards, no matter what type of schools or how many schools they govern, have three core functions:

- 1. Ensuring clarity of vision, ethos and strategic direction;*
- 2. Holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff; and*
- 3. Overseeing the financial performance of the organisation and making sure its money is well spent.*

The purpose of this Committee is to ensure that the detailed work of the all of these three core functions is carried out with due regard for principles of public life and associated regulations and guidance. It does this in an independent capacity and must have the authority to act if internal control systems are not sufficiently robust or irregular practices are evidenced or reported.

Further guidance on this area can be found in the [Governance handbook](#) issued by the DfE and also the [Competency framework for governance](#).

Membership

Members of this Committee will be appointed by the Board of Trustees and should comprise of as a minimum:

- 3 Trustees (Chair to be elected)
- Independent Members as co-opted (no minimum requirement)

Attendees of this Committee would normally be as a minimum:

- Accounting Officer
- Chief Financial Officer

The Committee may make recommendations to the Board of Trustees for co-option of non-Trustee members.

The Committee may invite staff colleagues to be in attendance at meetings where they will add benefit/contribution to discussions and the agenda.

The Accounting Officer and Chief Financial Officer should be asked to leave the meeting for proportions of the agenda where independent audit feedback review needs to be considered by non-executive members.

Quorum

The quorum for a meeting of the Audit Committee shall be 2 trustees.

Meetings

The committee will meet at least once a term and otherwise as required.

The committee will receive reports from the trust and its schools in sufficient detail to enable it to undertake its strategic responsibilities for scrutiny, evaluation and implementing corrective action. Whenever possible and with due regard for any sensitive information discussed by the committee, reports will be shared in common across the schools.

Meetings will be minuted and actions tracked in order that trustees have the necessary oversight to ensure effective governance.

Terms of Reference

The Audit Committee will provide support and challenge to the leadership of the Executive Officers in the trust and to hold them to account in relation to the aspects of internal control systems, including: internal audit programmes of work, internal control systems, risk management and risk registers, overseeing implementation of new controls in response to control weaknesses identified. This will have a particular focus on the requirements of The Mast Academy Trust with regard to its agreed financial scheme of delegation and the requirements of the [Academies Financial Handbook](#).

These Terms of Reference aim:

- To support the strategic role of the trustee body.

In the case of the Audit Committee it should be ensured that the independence of this committee is not prejudiced by these links. Recommendations from this committee are presented at least once a year to the Board of Trustees.

The Audit Committee must receive the reports of the Finance Committee (particularly covering external audit) on the effectiveness of the external auditors and the audit management letter produced by them.
