Introduction

The Governance Handbook issued by the Department for Education states:

All boards, no matter what type of schools or how many schools they govern, have three core functions:

- 1. Ensuring clarity of vision, ethos and strategic direction;*
- 2. Holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff; and*
- 3. Overseeing the financial performance of the organisation and making sure its money is well spent.*

The purpose of this committee is to ensure that the detailed work of the second of these three core functions is carried out effectively by the trust. It does this on behalf of the Board of Trustees and must report back key findings so that the Board of Trustees can carry out its duties effectively.

Further guidance on this area can be found in the [Governance handbook](#) issued by the DfE and also the [Competency framework for governance](#).

Membership

Members of this committee will be appointed by the Board of Trustees and should comprise of as a minimum:

- 3 Trustees (Chair to be elected)
- Independent Members as co-opted (no minimum requirement)

Attendees of this committee would normally be as a minimum:

- Chief Executive Officer

The committee may make recommendations to the Board of Trustees for co-option of non-Trustee members.

The committee may invite staff colleagues to be in attendance at meetings where they will add benefit/contribution to discussions and the agenda.

Quorum

The quorum for a meeting of the Staffing Committee shall be 2 trustees.

Meetings

The Staffing Committee will meet at least once a term and otherwise as required.

The Staffing Committee will receive reports from the trust and its schools in sufficient detail to enable it to undertake its strategic responsibilities for scrutiny, evaluation and implementing corrective action. Whenever possible and with due regard for any sensitive information discussed by the committee, reports will be shared in common across the schools.

Meetings will be minuted and actions tracked in order that trustees have the necessary oversight to ensure effective governance.
