

Dear Applicant

Thank you for your interest in the position of Strategic Leader. This is a really exciting opportunity to work across two schools in order to really make a difference to the life chances of young people by inspiring them with a love of the subjects you are passionate about.

Strategic Leaders are an integral part of our Leadership team(s) and should you be successful, you will be joining a highly professional team driven by a strong moral purpose rooted in putting children first. You will be predominantly based at one of our schools where you will teach, but your leadership responsibilities will take you across both sites.

This opportunity is unique, as not many colleagues have the privilege of working across Key Stage 2 and 3 to really influence and shape early teaching of their subject area in order to inspire a life-long love for their subject. You may be someone with significant experience in middle leadership looking for a new challenge; or someone early in your career looking for the next step. Either way, we would be delighted to hear from you.

If you would like to learn more about the role, you can contact Sally Booth, Headteacher's PA, on sbooth@scissett.com who will arrange a Teams meeting or telephone call for you to speak with one of us in more detail.

We wish you every success in your application.

Kind Regards
