

**The Meadows Primary School
Admission Arrangements**

Normal Age of Entry: Academic Year 2024/25

The school admission number for the school year 2024/25 is 14

Full time places in the reception class will be available in September of the academic year within which the child becomes five years old.

Although parents have the right to express a preference for the school that they wish their child to attend, there is no guarantee of a place being offered at their preferred school.

It is The Meadows Primary School's policy to try and meet parent's wishes where possible, however in some cases there may be more applications for the school than there are places available.

Admission where the school is oversubscribed is determined by the oversubscription criteria given below.

Oversubscription Criteria

If the total number of preferences for admission to the school exceeds the school's Published Admission Number (PAN), the following order of priority is used to allocate the available places.

1) Children in Care and children who ceased to be in care because they were adopted (or became subject to a residence order or special guardianship order) including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Children in Care and children who ceased to be in care because they were adopted (or became subject to a residence order or special guardianship order).

2) Children who satisfy both of the following tests:

Test 1: the child is distinguished from the great majority of applicants either on their own medical grounds or by other exceptional circumstances.

Medical grounds must be supported by a medical report (obtained by the applicant and provided at the point of application). This report must clearly justify, for health reasons only, why it is better for the child's health to attend the preferred school rather than any other school.

Exceptional circumstances must relate to the choice of school and the individual child, i.e. the circumstances of the child, not the economic or social circumstances of the parent/carer. It should be supported by a professional report (obtained by the applicant and provided at the point of application), e.g. social worker. This report must clearly justify why it is better for the child to attend the preferred school rather than any other school.

Test 2: the child would suffer hardship if they were unable to attend the school.

Hardship means severe suffering of any kind, not merely difficulty or inconvenience, which is likely to be experienced as a result of the child attending a different school. Applicants must provide detailed information about both the type and severity of any likely hardship at the time of application.

3) Children who have an elder sibling in attendance at the preferred school and who will still be attending the school at the proposed admission date; (For admission purposes, a brother or sister is a child who lives at the same address and either: have one or both natural parents in common; are related by a parents marriage; are adopted or fostered by a common parent or are unrelated children who live at the same address, whose parents live as partners.)

4) Children living within the catchment area of the preferred school

5) Other children arranged in order of priority according to how near their home addresses are to the main gate of the school, determined by a straight-line measurement as calculated by the Local Authority's Geographical Information System.

Where it is not possible to accommodate all children applying for places within a particular category then the Admissions Authority will allocate the available places in accordance with the remaining criteria. If for

Education
Trust**

instance, all the catchment area children cannot be accommodated at a school, children who are resident within the catchment area will be arranged in order of priority according to distance i.e. category (5).

Additional Notes

Copies of school catchment area maps are available from the Local Authority or individual schools. There is no charge or cost related to the admission of a child to a school. Admissions are administered on behalf of The Meadows through a coordinated admission scheme by the School Admissions and Transport Service.

In accordance with legislation, children who have an Education, Health & Care Plan that names a particular school as being the most appropriate to meet the child's needs must be admitted to that school. This will reduce the amount of places available to other applicants.

Children in Care means children who are in the care of, or provided with accommodation by a local authority in accordance with section 22(1) of the Children Act 1989 at the time of making the application.

It is the applicant's responsibility to provide any supportive information required in order for the application to be assessed against the published admissions criteria, the Local Authority will not seek to obtain this information on behalf of the applicant.

The Local Authority uses a Geographical Information System (GIS) to calculate home to school distances in miles. The measurement is calculated using Ordnance Survey (OS) data from an applicant's home address to the main front gate of the school. The coordinates of an applicant's home address are determined using the Local Land and Property Gazetteer (LLPG) and OS Address Point data.

The home address is considered to be the child's along with their parent's main and genuine principal place of residence at the time of the allocation of places i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than legal guardianship) the friends or relative's address will not be considered for allocation purposes.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the school week, parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.

If a place is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address then that place is likely to be withdrawn.

If there are a limited number of spaces available and we cannot distinguish between applicants using the criteria listed, such as in the case of children who live in the same block of flats, then the child or children who will be offered the available spaces will be randomly selected. This process will be independently verified.

Any Staffordshire child not obtaining a place at any of their parents preferred schools will be allocated a place at their catchment area school (if places remain available) or the next nearest school with a space available and advised about the independent appeals process.

Deferred Entry to Reception Class

The Meadows Primary School will consider requests from parents to retain a place in the preferred school where the parents wish to defer their child's entry to a Reception Class until later in the same academic year, or until the term in which the child reaches compulsory school age. The effect is that the place will be held for the child and is not available to be offered to any other child. Where it is possible to offer a place, deferral will be supported if the request is made at the normal time of application. A parent may not defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the application was accepted. The Meadows Primary School will also consider requests from parents who wish their child to attend Reception Class on a part-time basis until the child reaches compulsory school age.

Before deciding whether to defer their child's entry to school, parents should visit the school to clarify how we cater for the youngest children in Reception and how the needs of these children are met as they move up through the school.

Waiting lists

Unsuccessful applicants will be placed on a waiting list in accordance with the oversubscription criteria stated above and not based on the date their application was received. If places become available after the offer date they will be offered according to the child at the top of the waiting list. Waiting Lists will be kept until the end of the autumn term of admission. No other waiting lists will be maintained.

Inclusion on a school's waiting list does not mean that a place will eventually become available at the preferred school.

A child's position on a waiting list is not fixed and is subject to change during the year i.e. they can go up or down the list since each added child will require the list to be ranked again in line with the oversubscription criteria listed above.

Children who are subject of a direction by a local authority to admit or who are allocated to a school in accordance with the Fair Access Protocol will take precedence over those on the waiting list.

Late Applications

Application forms received after the closing date will be considered alongside those applicants who applied on time wherever possible. Where it is not practicable because places have already been allocated, or are shortly to be allocated, then late applicants will be considered only after those applicants who applied by the published closing date.

A late application does not affect the right of appeal or the right to be placed on a school's waiting list.

Repeat Applications

Parents do not have the right to a second appeal in respect of the same school for the same academic year unless, in exceptional circumstances, the local authority has accepted a second application from the appellant because of a significant and material change in the circumstances of the parent, child or school but still refused admission.

“In-Year Transfer” Arrangements

Parents or carers seeking to transfer to The Meadows Primary School may make an application using the appropriate application form. This application will be processed in the normal way but parents and carers need to be aware that any date set for joining may be after the next term or half term holiday and those parents/carers are responsible for ensuring that their child continues to receive appropriate education in the interim.
