

Pre Formal - CT/CC List of possible activities to do at Home

1. Handprint/finger print flowers

Use paint and your child hand and fingers to make blossoming flowers pictures. You could turn these into cards if you wish, or a nice wall display. Please see example to the left.

2. Rainbow pictures

Use a kitchen roll to create some lovely pictures. Use the roll in different ways to create different effects. Also try use different surfaces, to give different sensory feels and different results of your actions. Please see two examples below.

3. Physio / Movement Programmes

Please follow your child's individual movement programmes as often as possible.
