

To join in simple rhymes or games by saying/signing.

- To join in counting songs sounding out numbers or using fingers. https://www.youtube.com/watch?v=2E3p_51tJx0 or https://www.youtube.com/watch?v=_jxzZMw89qY&nohtml5=False
- Sing simple nursery rhymes, emphasising movements and actions during the song.

To identify 1 and 2.

- Get your child to count out up to 2 spoons saying the number when they put it on the table.
- When shopping get your child to count out apples, potatoes to put into a bag up to 2.
- Ask your child to lay the table counting out up to 2 plates, bowls or forks.

Questions to ask your child - Give me spoons

How many have we got?

To make groups of '1' and 'lots' of objects

- Ask your child to put one spoon in each bowl when making cereals for breakfast.
- Whilst on a shopping trip ask your child to put 1 or lots of objects into the trolley or bag. For example, "put lots of onions into a bag" or "Put 1 cucumber into the trolley".

- When putting the washing out on the washing line ask your child to peg 1 t-shirt on the line and then peg lots of socks on the line.

Questions to ask your child Where is lots? Which is lots? Point to 1 How many?

Please have fun with your child on these learning tasks and record in their home/ school diary which activities you have done as a family and any other ideas/activities that you have come up with that we can share with other families.
