GLOBALS MAKE SOME NOISE FUND RAISER

The staff and students would like to a massive thank you to everyone who contributed towards our fund raising efforts for **Global's Make Some Noise**. The charity had a record-breaking year, raising a fantastic £4,198,678.00 across the United Kingdom. This will go to support many smaller local charities who do fantastic work with young children who have learning difficulties, disabilities, cancer and mental health to name a few.

The class efforts meant that we raised £86.30, which has been sent to make some noise, and is part of that record-breaking fundraising effort this year. Thank you for all your support and kind donations, it will make a real difference to young people being supported by local charities.

Thank you once again.
