School Vision

- 1.1 The Oaks Academy seeks to maximise the life chances of all of our young people and so it is crucial to prepare young people for life beyond school and college
- 1.2 A planned programme of activities supports our pupils in choosing options and pathways that suit their interests and skills and inspires them to consider a range of career pathways to help ensure sustained employability throughout their working lives
- 1.3 Careers education, advice and guidance is a central part of the school ethos of achieving excellence together
- 1.4 The Local Governing Body has adopted this policy in order to provide a clear commitment to and framework for Careers Education, Information, Advice and Guidance

2.0 Policy Scope

- 2.1 This policy covers Careers Education, Information, Advice and Guidance given to pupils in Key Stages 3 and 4
- 2.2 The policy also applies to Year 11 pupils after they finish their examinations in June of their final year and before they start at their next place of education, employment or training. Though not necessarily in school regularly and attending lessons in July and August of Year 11, the policy is still applicable
- 2.3 The policy has been reviewed in line with the recently published DfE guidance document 'Careers guidance and access for education and training providers – Statutory guidance for governing bodies, school leaders and school staff. (DfE, January 2018)
- 2.4 This policy accepts the 8 Gatsby Charitable Foundation's benchmarks as set out in the DfE guidance. They can be seen in Appendix 1 of this policy
- 2.5 This policy covers the legal duty of schools to ensure that a range of education and training providers can access pupils in Year 7 to Year 11 for the purpose of informing them about approved technical education qualifications or apprenticeships
- 2.6 This policy refers to events and opportunities in both Key Stages and in all years and these events will impact upon all pupils at the school
- 2.7 All members of staff at The Oaks Academy are expected to be aware of this policy and the importance of Careers Education, Information, Advice and Guidance (CEIAG) in the education of pupils; CEIAG is not the sole responsibility of the Careers Leader
- 2.8 It is important therefore that pupils leave school aware of themselves as individuals, aware of the opportunities available to them and able to make some decisions about their own life. They should be prepared for the transition from full time education to the world beyond. It is to these aspects of personal and social development that this policy will contribute.

3.0 Objectives:

- 3.1 The objectives of the Careers Education, Information, Advice and Guidance policy are as follows:
 - 3.1.1 To ensure that all pupils at the school receive a stable careers programme
 - 3.1.2 To enable all pupils to learn from information provided by the career and labour market
 - 3.1.3 The CEIAG programme should be individual and address the needs of each pupil
 - 3.1.4 To link the curriculum learning to careers learning
 - 3.1.5 To provide pupils with a series of encounters with employers and employees
 - 3.1.6 To provide pupils with experiences of workplace(s)
 - 3.1.7 To ensure that pupils have a series of encounters with further and higher education
 - 3.1.8 To provide each pupil with the opportunity to receive personal guidance

4.0 School Responsibilities

- 4.1 The school has a series of statutory duties:
 - 4.1.1 All registered pupils at the school must receive independent careers advice
 - 4.1.2 This careers advice must be represented in an impartial manner, showing no bias towards a particular institution, education or work option
 - 4.1.3 This advice must cover a range of education or training options
 - 4.1.4 This guidance must be in the best interests of the pupil
 - 4.1.5 There must be an opportunity for education and training providers to access pupils in Year 7 – Year 11 in order to inform them about approved technical qualifications or apprenticeships. cf. Section 6 of this policy
 - 4.1.6 The school must have a clear policy setting out the manner in which providers will be given access to pupils. cf. Section 6 and Appendix 3. This policy and these arrangements must be published
- 4.2 The school will base its careers provision around the Gatsby Benchmarks. A summary of these can be seen in Appendix 1, and they cross reference with the objectives of this policy cf. Section 3
- 4.3 The Oaks Academy believes that good CEIAG connects learning to the future. It motivates young people by giving them a clearer idea of the routes to jobs and careers that they will find engaging and rewarding. Good CEIAG widens pupils' horizons, challenges stereotypes and raises aspirations. It provides pupils with the knowledge and skills necessary to make successful transitions to the next stage of their life. This supports social mobility by improving opportunities for all young people, especially those from disadvantaged backgrounds and those with special educational needs and disabilities
- 4.4 The school will continuously monitor its CEIAG offer and seek further improvement. This will be done by the personnel involved in the design and delivery of the programme as well as by external stakeholders who assess the work of the school (eg. School Improvement Partner or Ofsted)

5.0 Governor Responsibilities

- 5.1 The governing body will ensure that the School has a clear policy on Careers Education, Information and Guidance (CEIAG) and that this is clearly communicated to all stakeholders. They should ensure that this policy is:
 - 5.1.1 based on the eight Gatsby Benchmarks
 - 5.1.2 meeting the school's legal requirements
- 5.2 The governing body will ensure that arrangements are in place to allow a range of educational and training providers to access pupils in Years 7 – 11
- 5.3 There will be a member of the Local Governing Body who takes a strategic interest in CEIAG and encourages employer engagement

6.0 Provider Access

6.1 Introduction – This section of the policy sets out the school’s arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider’s education or training offer. This complies with the school’s legal obligations under Section 42B of the Education Act 1997

6.2 All pupils in years 7-11 are entitled:

- 6.2.1 to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;

- 6.3 Appendix 3 shows the way in which education and training providers should get in touch with the school in order to gain access to pupils and/or parents to inform them about further opportunities
- 6.4 The school will then work with providers in order to identify the most effective opportunity for them to share information about education and training opportunities

7.1 The Headteacher will ensure that:

- 7.1.1 the work of the Careers Advisor and CEIAG events are supported and monitored
 - 7.1.2 a member of the Senior Leadership Team has an overview of CEIAG work and reports regularly back to the team
- 7.2 The effectiveness of this policy will be measured in a variety of ways:
- 7.2.1 feedback from stakeholders through mechanisms such as the Futures First pupil survey and parent surveys;
 - 7.2.2 feedback from external visitors to the school such as the School Improvement Partner (SIP) or Ofsted;
