

Art Textiles

The creation of stitched, printed or decorative textiles that does not always have a functional purpose

Wet Felting - a textiles technique where layers of woolen fibres are bonded using water and soap. This can be manipulated to create a shape or pattern. Felting can be embellished further and stitched into using machine or hand stitching.

Applique - Layers of fabric overlapped and stitched together to form an image.

Gridding Up

A more traditional way of copying your photo would be to divide it up into squares or rectangles and just scaling it up from there. Viewing each block as a separate sketch makes the task much easier to complete.

Mixed media

A technique involving the use of two or more artistic media, such as ink and pastel or painting and collage, that are combined in a single composition.

Sarah Graham

A British painter born in 1977. She paints with oil on canvas in a photorealism style.

Composition

The term used to describe the arrangements of the visual element

Nancy Standlee

An American contemporary artist who paints with bold expressive colour in oil, acrylic, mixed media and collage. She sells her work on the online arts and craft shop Etsy.
