

Celebrate You

Get creative and celebrate you as you decorate each section of the Beat logo. Be as creative as you like, whether you colour in, illustrate, or use different materials - your design will be as unique as you!

Don't forget to share your poster during Eating Disorders Awareness Week. Tag us on Instagram @Beatedsupport and Twitter @BeatED using #EDAW to help raise awareness and support people affected by eating disorders. Extra downloads can be found on beateatingdisorders.org.uk
