

Hello to the soon-to-be Year 7!

My name is Mrs Meir, and I will be your Year 7 form tutor when you join The Orme Academy in September 2024. I am the Head of Geography and have previously taken 3 form groups through to Year 11.

I imagine many of you are excited to be starting secondary school, but I'm sure all of you will be a little nervous too. This is a completely natural feeling when starting something new. I hope to put a lot of your concerns to rest when I first meet you in the first days of the school year.

At The Orme Academy we have high expectations of all our students and as your form tutor, I am here to help you obtain these standards. Each morning, I will check your uniform and equipment to make sure you are ready for each day. If you have any problems, you can come to me for help.

Enjoy the rest of your time in Year 6 and your well earned summer!

*Mrs Meir*
